**BIG SIR MESSAGE - Sir Pascual Perez 671-4460** I'm proud to be your Big Sir for branch 109. I also wish to thank Frank Vega for all his efforts in the branch and for sponsoring me a little over three years ago. I can remember my first luncheon, I was a little nervous and not sure what to say when I was asked to introduce myself. Frank met me when I arrived, and proceeded to not only make me feel extremely welcome but, over lunch, he and others at the table thoroughly explained the various SIR activities. Don Cochran was the Big Sir and he also went out of his way to make me feel welcome. Bottom line is, I was very comfortable with the group and decided to join. After three or four months, of getting familiar with the routine, I began to get involved. The activities that I chose are incidental. The point is, I took the initiative to get involved. Golf, fishing, digital cameras, computers, travel, bocce ball, dining out are but some of the groups that offer the opportunity to meet others of similar interests. If you have the background in a area that we do not address, see me and we'll see about starting a new group. It is the responsibility of the older SIR members to introduce themselves to the newer members and talk to them the way you may have wished someone would have talked to you when you were new.

**LITTLE SIR Message- Sir Harry Barajas 639-2431**

I am honored to be our new Little Sir. It has been wonderful meeting so many nice Twin Rivers SIRS and dining out with everyone including spouses and family. I thoroughly enjoy our meetings, speakers and golfing with a great group of men. I am so glad that the three new members I invited to join are enjoying their membership. Be sure to think membership every time you visit with new neighbors, friends or hear that an old co-worker has retired.  
**Sir Branch 109, Tuesday, April 17, 2018, luncheon/meeting, Jana Dawson Frazier from DWR will be our guest speaker, Jana will be discussing current status of the Oroville repairs.**

**BOWLING - BRANCH 45/109 Sir Ray Buttacavoli, 671-5599.**

Since the last article, we had four bowlers participate in Stockton in their No-Tap tournament. (No-Tap meaning that if you knock down 9 pins on your first shot, it counts as a strike. Scores for this tournament are generally much higher.) In the A Division Doubles, Tony Rainey and Ken Sisney didn't exactly burn up the lanes. They finished 6TH out of 7 teams. Then in B Division Doubles Jim Nash and his wife Mandy bowled quite well, but only managed to finish 4TH out of 7 teams. In the Singles event, Ken Sisney was the only one of our bowlers in A Division and finished 12TH out of 13. In the B Division Singles, Mandy Nash finished 5TH, Jim Nash finished 7TH and Tony Rainey finished 13TH out of 15 bowlers. Because of the relatively low turnout for this tournament, only First Place in doubles and First and Second Places in Singles won any money.

We have eight bowlers preparing to participate in the Carson City tournament. SIR Branch 113 – Pollock Pines is the sponsor for this tournament and they are expecting close to 300 bowlers to participate. As of now, we do not have anyone interested in bowling in the Sutter Creek tournament at the end of April, but there is still plenty of time to submit entries.

**SLOWTROLLERS - Sir Don Allen 743-2160**

**Lake Shasta Sugarloaf Trip May 15-18**

Signup is going well, so far we have 19. 2 non boaters signed up discussed getting them a boat or fishing time in a boat. Members assured them they will get to fish out of a boat at times.

Don called for fishing reports some fished and some didn't same as always.

Lenzie Scoggins just got out of the hospital and not doing very well. He's at home.

Guest speaker Dan Skaggs talked about fishing for sturgeon in the delta. Very complete and well presented. Covered pretty much everything.

50/50 drawing: \$68 club/\$67 member Won by Don Allan

Last month's "Tournament" at Collins Lake had a big turnout. The water was muddy but most boat still caught some fish. Largest Trout was 2.54 pounds and Largest Bass was 6.28 pounds. This month we have a "Fun Tournament" scheduled for April 19<sup>th</sup> at Camp Far West.

Bass Fishing has improved with the warmer water temperatures.

We meet the first Monday of the month at 9:00 a.m. at the Moose Lodge, 205 S. Walton Avenue, just south of Franklin Road. Please come and join us.

**Bob**, a 70-year-old, extremely wealthy widower, shows up at the Country Club with a breathtakingly beautiful and very sexy 25-year-old blonde-haired woman who knocks everyone's socks off with her youthful sex appeal and charm and who hangs over Bob's arm and listens intently to his every word. His mates at the club are all aghast.

At the very first chance, they corner him and ask, 'Bob, how'd you get the trophy girlfriend?'

Bob replies, 'Girlfriend? She's my wife!'

They are knocked over but continue "So, how'd you persuade her to marry you?" 'I lied about my age', Bob replies.

'What, did you tell her you were only 50?' Bob smiles and says, 'No, I told her I was 95.'

**A group of Britons** were travelling by tour bus through Holland. As they stopped at a cheese farm, a young guide led them through the process of cheese making, explaining that goat's milk was used. She showed the group a lovely hillside where many goats were grazing. 'These' she explained, 'Are the older goats put out to pasture when they no longer produce.' She then asked, 'What do you do in England with your old goats?'

A spry old gentleman answered, 'They send us on bus tours'
