### BIG SIR MESSAGE - Sir Pascual Perez 671-4460

My fellow SIR's August started on a very sad note as we learned that Ken Scott passed away on the first of the month. Ken was Big SIR for Branch 109 in 2016 and served on the BEC. I served as Ken's Little Sir and found that he was a good man and great person.

Kens' son said it all in a article in the paper, that his father was the kindest most honest person he ever knew. I read a quote recently that we should live our lives so that when your children think of fairness, caring and integrity they think of you. As I've said before, that is the beauty of the SIR organization you meet and become friends with people that your paths may have never crossed. We may have to say our goodbyes but are rewarded with a new hello. Ken will be sorely missed.

### KEN SCOTT

January 12, 1932 - August 1, 2018

Big Sir - 2016

### LITTLE SIR Message- Sir Harry Barajas 639-2431

Well fellow SIR's we are cooking now! I don't remember having this many hot days in all the time I've lived up here. The smoke is uncomfortable for us but devastating for those effected and our hearts go out to them

*. On a lighter note, our guest speakers for August 21st will be Mike Fransois and his significant other, Mary Jane Augustine. They will share their experiences on their several trips to Cuba this year.*

**BOWLING - BRANCH 45/109, Sir Ray Buttacavoli, 671-5599.**

We hosted a very successful tournament on July 9 & 10. We had an increase in entries of 7.5% and we paid out \$1,934 in prize money to 39 bowlers. There were 18 bowlers, including guests, from Branches 45 & 109, with Jeff Brockman and Chuck Phillips both helping out by bowling with someone who didn't have a doubles partner. Jeff Brockman was the only bowler in the tournament to cash in all five events, Singles, Doubles, Handicap All Events, Scratch All Events and Scratch Singles. Needless to say, Jeff bowled quite well and had a very profitable tournament. Other bowlers from our branches also did quite well. The complete results are posted on our website on the Bowling page.

We meet every Wednesday at 1:00 at Nu Generations Lanes at 876 Onstott Rd.

**BOCCE BALL - Sir Buck Foster, 743-6210**

Bocce Ball is an easy game to learn but it can be a very hard game to master. The game is like a combination of bowling and billiards.

The game is played between two teams. It starts when the white ball (also called jack or pallino) is put into play. The team who starts rolls a ball to get it as close as they can to the jack. The opposing team then rolls up to their 4 balls to try to get one closer to the jack. Once they do, the first team rolls up to their last 3 balls.

The game goes by fairly quickly but there is a lot of finesse involved.

**We play this game every Tuesday at Kingwood Park on Gray Avenue at 10:00**

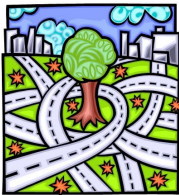

Come on out and try this game with us. It is a very easy game without a lot of physical effort involved so everyone can enjoy it.

An old man and an old woman were sitting together on their front porch.

"You used to sit closer to me," said the woman. So the man moved closer.  
"You used to put your arm around me." So the man put his arm around her.  
"You used to nibble on my ear."  
"Let me get my teeth."

As a senior citizen was driving down the freeway, his car phone rang. Answering, he heard his wife's voice urgently warning him,  
"Herman, I just heard on the news that there's a car going the wrong way on Interstate 77. Please be careful!"  
"Heck", said Herman,  
"It's not just one car. It's hundreds of them!"

Reporters interviewing a 104-year-old woman:

'And what do you think is the best thing about being 104?' the reporter asked. She simply replied, 'No peer pressure.'

Two old men in a retirement village were sitting in the reading room and one said to the other, 'How do you really feel? I mean, you're 72 years old, how do you honestly feel?'  
'Honestly, I feel like a new born baby. I've got no hair, no teeth, and I just wet myself.'

I was at a cash machine when an old lady came up to me and asked to check her balance. So I pushed her over.

Adults are always asking little kids what they want to be when they grow up because they're looking for ideas. ~Paula Poundstone
