BIG SIR - Dave Sparks (916)645-3034 davidsparks@att.net

Welcome to Hot August Nights.

The luncheon this month will be on Tuesday the 17th. Masks will be recommended, but not mandatory. We are still following State SIR guidelines, so all must be fully vaccinated to attend. Anyone that hasn't signed the liability waiver form yet will be required to do so.

The cost of the lunch will be 17.00. The 50/50 drawing will be 1.00 each or 3.00 for five. This next item is rather depressing. Last months luncheon attendance was a dismal 26 members. Barely half the membership. I know that this pandemic has us all worried and hesitant to socialize. I hope, with the proper precautions, we should be able to enjoy a meal with friends. Looking forward to seeing all your smiling faces on Tuesday the 17th.

Regards Dave Sparks

CELEBRATING THEIR BIRTHDAY IN AUGUST

**Don Cochran, Roland D'Arcy, TJ Fetters, Jim Morris,
Silas Standridge, Al Vannett, and Tom Williams**

TREASURERS REPORT Roland D'Arcy 743-8742 rolanddrc@yahoo.com

There is a balance of \$1,485.67 in the Branch 109 account. D'Arcy reported there is adequate funding to stay above the bank's \$1,000 account threshold for the remainder of the year.

Discussion was held regarding the possibility of moving the account to another bank that does not have such a threshold.

DINING OUT Roland 743-8742 or rolanddrc@yahoo.com

In July we dined at Pete's Brewhouse and had 14 participants. The next dining out will be on August 25 (Wednesday) at Carlito's Mexican Restaurant. We will gather there at 6 pm.

As usual, spouses, friends and relatives are welcome to attend. Please let me know if you plan to attend. Roland, 743-8742 or rolanddrc@yahoo.com.

SLOWTROLLERS - Sir Don Allen 743-2160

Last month we had a Tournament on Lake Oroville on July 15th. Seven boats showed up. Lots of Bass were caught, with the winning weight of 12 lbs. 4oz. for a 5 fish limit. The biggest fish weighed 3lbs. 4oz.

We also had a "Fun Day" on Lake Berryessa on July 29th only 3 boats showed up, and fishing was slow only about 10 bass were caught. This month we have a Team Tournament scheduled for the After-bay on August 19th.

We meet the 1st Monday of the month at the Moose Lodge in Yuba City, 8:30 - 9am Coffee and Donuts meeting to follow a 9am.

BOCCE BALL - Al Moody, 301-8390 , Carey Saunders, 671-5155

Bocce Ball is an easy game to learn but it can be a very hard game to master. The game is like a combination of bowling and billiards.

The game is played between two teams. It starts when the white ball (also called jack or pallino) is put into play. The team who starts rolls a ball to get it as close as they can to the jack. The opposing team then rolls up to their 4 balls to try to get one closer to the jack. Once they do, the first team rolls up to their last 3 balls.

The game goes by fairly quickly, but there is a lot of finesse involved.

We play this game every Tuesday at Kingwood Park on Gray Avenue at 10:00 or 9:00 when it is Hot.

Come on out and try this game with us. It is a very easy game without a lot of physical effort involved so everyone can enjoy it.

BOWLING

Ray Buttacavoli, 530-671-5599 rdb0416@comcast.net

With the demise of the only bowling center in Yuba City at the end of July, we will still be able to operate our SIR bowling league at Beale AFB. Beale AFB has instituted a program to issue Guest Passes to bowlers who do not already have Military IDs. The process is simple, but it does require the filing of an application and a background check to receive the Pass. Once the Pass is issued, it allows the bowler to enter the base by merely showing the pass, and the pass is good for one year.

The SIR League will begin bowling at Beale Lanes on August 4, 2021. We will resume bowling as we did before the pandemic. The weekly fees will be \$11.00, which is \$1.00 less than what we were paying at NU Generation Lanes. We also will run our three optional games each week, which cost \$1.00 per game or \$9.00. So, the total cost each week would be \$20.00 if the bowler wants to enter the optional games. There will be more information about the three optional games in next month's article.

The bowlers can work through me to get everything done to get the passes.

The doctor has given me two months to live. I've chosen August and December, because I like summer but don't want to miss Christmas.

Caesar was famously killed on the Ides of March, but he wasn't expecting the attack until August 2. His final words embodied his dismay over the scheduling confusion: "8/2, Brute..."

Pleasant Psychic

I am not a believer in seances, but I went to one just to see what they are like. The psychic was doing his thing and grinning from ear to ear. I assumed his merriment was due to the fact that he was fooling a gullible public and gave him a poke in the nose. You can probably guess the rest: I was arrested for striking a happy medium.

The Good, the Bad and the Ugly

Good: Your husband is not talking to you.

Bad: He wants a divorce.

Ugly: He's a lawyer.

Good: You give "the birds and the bees" talk to your 14-year-old daughter.

Bad: She keeps interrupting.

Ugly: With corrections.
