Looking forward to seeing all of you at the luncheon on April 16th as we will have Alexandria Mazerolle from the "Blue Star Program" to tell all about what they are doing in the area.

We are always looking for new members so please bring a guest and show them what we are all about. See you on the 16th! T.J. Fetters

MEMBERSHIP Sir Gerry Dorsey (530)742-1449 sirgerry109@gmail.com

It's April already. A changeable month weatherwise. Do I wear pants with long John's or do I wear shorts today?

We haven't had a new member join us since Jim Coronado in November of last year.

Our turnout for lunch has averaged around 52% with our goal being 70%. We had a good turnout last month, so join us to make this month even better. Thanks.

On March 18th we had a "Team Tournament at Collins Lake. Lots of Bass were caught and 4 Trout. The biggest bass was weighed 4 lbs. and big bag of 7 bass was 15 lbs. 13 oz.

The biggest Trout was 2 lbs. 10 oz. and big bag for 2 fish was 3 lbs 15 oz.

Fishermen have reported catching Bass at Lake Oroville, Collins and Camp Far West. Bass and Trout fishing is improving on most lakes due to the warming water.

GOLF --- Sir Dennis Dempsey 487-3830 / Sir Roland D'Arcy 743-8742

The golfing schedule is very active from March to October. There are a few tournament regulations that ensure that play is efficient and enjoyable for everyone.

1. Players must sign up ten days in advance to maximize players allowed. Others are placed on a waiting list.
2. Payment at tournaments is always in cash.

Participants scheduled to play who do not show up will pay \$10 and pay in advance for any of the following tournaments.

DINING OUT Sir Roland D'Arcy 743-8742 or rolanddrc@yahoo.com

Dining Out:

We had a very good turnout at Pete's Restaurant last month and hope to continue enjoying the social aspect of our dining outs.

April's Thursday dining out will be on the 25th. As usual it is scheduled for 6 pm and will be at Cisco's Mexican Restaurant. Cisco's is located at Third and C Sts in Marysville. This is a small venue but is expected to be able to accommodate our group. The food is good and should be a nice experience if you haven't already eaten there.

Hope you can join us by letting me know.
Roland, rolanddrc@yahoo.com or 530-743-8742 Bon appetit

Bocce Ball is an easy game to learn but it can be a very hard game to master. It is sort of a combination of bowling and billiards. Bocce is played with eight large balls and one smaller target or object ball called a jack or pallino. The objective is to throw your bocce balls closer to the pallino or jack than your opponent.

We play every Tuesday at Kingwood Park on Gray Avenue at 10:00.

Please come and join us.

TRAVEL -- No travel chairman in branch 45.

If you want to travel look in "sir happenings" on the sininc.org web page and take a trip with another of the sir branches.

CONGRATULATIONS

A Retired Person's Perspective:

1. I'm not saying let's go kill all the stupid people. I'm just saying let's remove all the warning labels and let the problem work itself out.
2. I changed my car horn to gunshot sounds. People move out of the way much faster now.\
3. You can tell a lot about a woman's mood just by her hands. If they are holding a gun, she's probably VERY angry.
4. Gone are the days when girls cooked like their mothers. Now they drink like their fathers.
5. You know that tingly little feeling you get when you really like someone you've just met? That's common sense leaving your body.
6. I don't like making plans for the day. Because then the word "premeditated" gets thrown around in the courtroom.
7. I didn't make it to the gym today. That makes 1,500 days in a row.
8. I decided to change calling the bathroom the John and renamed it the Jim. I feel so much better saying I went to the Jim this morning.
9. Dear paranoid people who check behind shower curtains for murderers. If you find one, what's your plan?
10. Everyone has a right to be stupid. Politicians just abuse the privilege.
