BOCCE BALL Chairman - Carey Saunders (530) 632-1859 / Jack Schoen, Assistant - (719) 400-9830

Bocce Ball is an easy game to learn but it can be a very hard game to master. It is sort of a combination of bowling and billiards. Bocce is played with eight large balls and one smaller target or object ball called a jack or pallino. The objective is to throw your bocce balls closer to the pallino or jack than your opponent.

We play every Tuesday at Kingwood Park on Gray Avenue at 10:00.

Please come and join us.

TRAVEL -- No travel chairman in branch 45.

If you want to travel look in "sir happenings" on the sininc.org web page and take a trip with another of the sir branches.

ANNIVERSARIES THIS MONTH

CONGRATULATIONS

I just saw [a grandpa](#) help a youngster who was staring into his phone, to cross the street. Ah, the modern days...

Patient: "Doctor, you have to help me, I think I can see in the future."

Doctor: "When did it start?" Patient: "Next Friday."

I told my physical therapist I broke my arm in two places.

He told me to stop going to those places.

Pastry chefs know that old age crepes up on you.

You know you're getting older when you have a party and the neighbors don't realize it.

Why do seagulls fly over the sea? If they flew over the bay, they would be bagels.

If my body were [a car](#), I would trade it for a newer model. Every time I cough, sputter, or sneeze, my radiant leaks and my exhaust backfires.

There are four stages of old age: You forget names. Then you forget faces. Next, you forget to zip up. And finally, you forget to zip down.

"The years between 50 and 70 are the hardest. You are always being asked to do things, and yet you are not decrepit enough to turn them down." - T.S. Elliot

"At age 20, we worry about what others think of us... at age 40, we don't care what they think of us... at age 60, we discover they haven't been thinking of us at all." - Ann Landers
