Greeting Sirs,

I hope everyone is enjoying the beautiful weather we are having as we begin the summer.

Our June meeting on the 17th will have a guest speaker Nelam Cato-Lugo. After four decades, she is a retired professor from Yuba College who has volunteered with USAID and has been assigned to many different countries. She will speak about some of the experiences she has had doing her volunteer work.

I hope to see all of you at the meeting and remember to Invite a guess to help grow our membership. T.J.

MEMBERSHIP Sir Gerry Dorsey (530)742-1449 sirgerry109@gmail.com

I regret to report the passing of Nelson Mowrey at the age of 87. He was a long time member of SIR. He joined in November of 2001. He served in the Air Force for 26 years, joining at the age of 17.

Our membership is currently 40 so please keep looking for new members.

You may not know, but we have to pay for a minimum of 25 meals a meeting. With fewer members, it harder to exceed the minimum.

Bon Appetit

Bocce Ball is an easy game to learn but it can be a very hard game to master. It is sort of a combination of bowling and billiards. Bocce is played with eight large balls and one smaller target or object ball called a jack or pallino. The objective is to throw your bocce balls closer to the pallino or jack than your opponent.

We play every Tuesday at Sam Brannon Park on Gray Avenue at 10:00.
Please come and join us.

CONGRATULATIONS

A Retired Person's Perspective:

1. I'm not saying let's go kill all the stupid people. I'm just saying let's remove all the warning labels and let the problem work itself out.
2. I changed my car horn to gunshot sounds. People move out of the way much faster now.
3. You can tell a lot about a woman's mood just by her hands. If they are holding a gun, she's probably VERY angry.
4. Gone are the days when girls cooked like their mothers. Now they drink like their fathers.
5. You know that tingly little feeling you get when you really like someone you've just met? That's common sense leaving your body.
6. I don't like making plans for the day. Because then the word "premeditated" gets thrown around in the courtroom.
7. I didn't make it to the gym today. That makes 1,500 days in a row.
8. I decided to change calling the bathroom the John and renamed it the Jim. I feel so much better saying I went to the Jim this morning.
9. Dear paranoid people who check behind shower curtains for murderers. If you find one, what's your plan?
10. Everyone has a right to be stupid. Politicians just abuse the privilege.
