## Message From The Big Sir...

# THE WINE LINE

By Russ Winton

## Wine Investigation for Novices and Oenophiles (W.I.N.O.)

### Solitary Cellars Wins Best Winery Award

Solitary Cellars is located at 14439 North Friant Road just a few miles outside of Fresno. Solitary Cellars won the 2024 Fresno Bee Best of Central California-Best Winery Award. They are open for wine tasting or just relaxing from 12-5:00 pm daily. The winery has partnered with the San Joaquin River Parkway Conservation Trust which controls 76 acres of riverfront property and is open to the public for hiking, fishing, bicycling or tasting the award winning wines from Solitary Cellars.

Greg Bergersen co-founded the label, Solitary Cellars, with partner Rick Quesada. They met when they were both correctional officers at the Valley State Prison in Madera County. Their careers in corrections set up their prison theme for their brand. Both have retired and now their new job is producing 1,500 cases of wine annually to satisfy the 1,400 members in their "Chain Gang" wine club.

Solitary Cellars buys fruit from Monterey, Lake, San Joaquin and Amador Counties. Greg and Rick maintain solid relationships with their growers which equates to consistent quality wines and 90+ scores. In fact, this January is a 90+ red wine flight with the regular \$15 fee which is waived with a bottle purchase. The Wine Enthusiast magazine reviewed and scored the following wines: the 2022 "East Block" Old Vine Zinfandel 92 points, the 2021 "Les Grilletes" Red Wine Blend 90 points, the 2022 Syrah 92 points and the 2022 Cabernet Sauvignon 92 points.

The red wine flight has nine choices and the white and sparkling wine flight has five. Their "Two for Tuesday Complimentary Wine Tasting" is a super deal. Weekends feature live music. Soli-

tary Cellars also won the 2024 Best Wine Selection, the Best Wine Bar and the Best Charcuterie. Cheers to Solitary Cellars!

#### What's On Our Table

I bought four Australian reds from the local Grocery Outlet, all in the \$5-6 range. The Beefsteak Club and the Hesketh Family were both 2019's Shiraz (Syrah) from the Limestone Coast. The 2020 Heathcote Shiraz was from Victoria and the 2021 Bleasdale was a Blend of Shiraz, Grenache, Mourvèdre. All four were good/solid daily wines especially when you consider the price. If you prefer bold, spicy wines with dark fruit flavors stick with the 3 100% Shiraz wines. The Potts Family Bleasdale Blend with 67% Shiraz, 23% Grenache and 10% Mourvèdre was my choice with bright red fruit flavors and a long smooth finish. Cheers to Aussie wines for using screw caps! Easy to open and excellent closures for left over wine. Cheers!!!

# Speaker for month of MARCH will be AARON ALLAIRE - Stan State A.D.

Aaron Allaire officially became the Stanislaus State University Director of Athletics on June 13, 2022, after serving as the interim director since February of 2022.

A long-time member of the Stan State athletics department as a student-athlete, coach and administrator, Allaire began his career in athletics administration at Stan State in 2014 serving initially as assistant athletics director for facilities and game operation. He was promoted to associate athletics director for facilities and game operations, and taking on more responsibilities, he was promoted again to senior associate athletics director. He has also served as a lecturer in the Department of Kinesiology since 2008.

Prior to his fully administrative roles, Allaire served as Stan State's head assistant baseball coach for eleven years beginning in 2003. The Warriors won a program-record 37 games in 2008 during his tenure on the staff. In 2009, the team was ranked No. 1 nationally by Collegiate Baseball Newspaper. Stanislaus State baseball saw 47 all-conference players and sent 17 players to play professional baseball while he was on staff. In addition, he has managed game operations for Stan State since 2005, and he stepped in to assist with sports information for two years during a critical vacancy.

Allaire has served as the sport program administrator for men's golf, men's and women's track and field, and men's and women's cross country, and also spent time as the sport program administrator for women's tennis, softball, baseball, men's and women's basketball, and men's and women's soccer. Pre-pandemic, Allaire oversaw a 300% increase in ticket revenue and attendance during a 4-year period. As Associate Director, Allaire oversaw all facility operations, maintenance and upgrades for Warrior Stadium, Fitzpatrick Arena, Warrior Baseball Field, Warrior Softball Field and the tennis courts. He also managed game day operations, including ticketing and event staff for all Warrior athletics home events. Additionally, he maintained the department's equipment inventory and

served as a liaison to the University's Physical Plant, Chartwells dining services, Risk Management, Student Recreation, UPD and Event Services departments. During his time as an administrator Warrior facilities have seen some major upgrades. A new floor, new seating and a complete makeover of the lobby in Fitzpatrick Arena. In addition, major upgrades to the volleyball locker room, the addition of a golf short range, a new hammer cage, new pole vault and high jump pits at Warrior Stadium, renovated softball locker, new video board in Fitzpatrick Arena and increased branding at all venues have all taken place.

In addition to roles overseeing facilities and game operations, he has also had budget oversight and oversees the EADA and NCAA Financial reports for the department.

Prior to joining the administrative staff, Allaire had been on campus since 1997 when he was a member of the baseball team. From 2002-14, Allaire served as an assistant baseball coach while holding a part-time role as a game day operations and equipment manager for all home events. Additionally, Allaire also has worked as an assistant in the Sports Information Office and has taught courses in the kinesiology department. He played baseball for the Warriors from 1997-99 and graduated in 2000 from Cal State Stanislaus.

Allaire has a bachelor's degree in history from Stan State, a California Secondary Teaching Credential from Chapman University and a M.A. in management with a specialization in leadership from National University. He and his wife Megan have three children: Case, Kellen and Brady.
