November, 2010

## **Big SIR sez:**

The San Francisco Giants won the World Series. Wow! That is something that they haven't done since they moved to San Francisco in 1958, the same year that Sons in Retirement (SIR) was founded. Next year when **SIR Day at the Giants** comes around, we'll have a chance to see the World Champions in action.

Sorry that I had to miss the last luncheon on October 27. Attendance was good and I've been told that the speaker was good. My thanks to **Little SIR, John Geibel** for conducting the meeting in my absence, and for arranging the speaker. John is planning a great Holiday Party on December 15. Sign-up sheets will be available at the next meeting. Why not be a Table Captain for the Party and sign up those who you want to sit with? Just let John know at the next meeting. **The next meeting, by the way, is on November**

17. At this meeting, we will induct the members of the 2011 Branch 5 Executive Committee.

If you were at the October meeting, you received your personalized SIR Branch 5 business cards to use when inviting potential

new members to a meeting. If you were not there, see **Membership Chair Al Stratz** to obtain your cards. Progress in recruiting new members has been encouraging. Two new members were inducted at the October 27 meeting. Three guests were in attendance at the October meeting and re-

ceived applications for membership. Let's hope that they enjoyed themselves enough to decide to join. Our goal for 2010 is 10 new members. We may not make it, but we'll be close if the three guests decide to join. Help keep the Branch alive by inviting your friends to join SIR.

**In preparation for next year's roster, members are requested to re-view their entry in the current roster to validate the accuracy.** Report any changes to Membership Chair, Al Stratz. If you don't have a current roster, copies will be at the sign-in table at the November luncheon.

Have a great Thanksgiving!

**Attendance Report**  
**October 27, 2010**

Really good attendance at the October 27 SIR Luncheon with 55 members and 3 Visitors present, including the speaker. The better than average attendance had to be due to the speaker as the meal is essentially the same very month, good to excellent. Let's keep up the good work. We need this kind of participation every month

**California Sons in  
Retirement (SIR)**

By [Harry Hubinger](#)

**Update:** When we last met our  
retired hero, Rob, he had just  
returned from his first-ever SIRs  
meeting.

Rob’s mind was a bit  
muddled. The meeting had been  
OK. The guys he met had all  
been friendly and helpful. The  
lunch itself was about a six on  
Rob’s scale of zero to ten. The  
meeting was precise, and the  
boss at the head table, who ap-  
parently held the title of Big  
SIR, had kept things moving – a  
trait Rob appreciated. He had  
enjoyed the speaker. Once again,  
the presentation had been about  
the right length – not too long –  
but entertaining enough to keep  
his interest. One of the officers  
had given him an application  
blank with only a mild amount  
of perceived pressure.

So, considering all this,  
what stood in Rob’s way of fill-  
ing out the application and sign-  
ing on?

In short, he missed a  
younger crowd. It was a step for  
Rob to admit he fit into the  
group. He needed a little push,  
and how was he to get it?

Well, when he left the  
meeting he had been given a  
monthly newsletter. As he paged

(Continued on page 4)

*(Continued from page 3)*

through it he began to find himself leaning toward joining. Then a bright idea came to him. He looked at the newsletter and found the guy in charge of golf. He recognized that he would like some of the other activities as well. It would be fun to get back to bridge, maybe a little poker, and the idea of an exploratory walk with the group appealed – but the true test for Rob would be golf.

He called the person listed as chairman of golf and lied just a bit by telling him that he was joining the branch and would love to meet some of the men for a game of golf. The chair told Rob how to log onto the branch golf web site and how to register to find the upcoming events. Then he said, “Rob, because you’re new I will put you with a

group of men with about your skill level until you are properly registered.”

Well, the golf match did it for Rob. He arrived about a half hour before his tee time. The three other guys he was to play with greeted him. He didn’t have to hassle with tee times, and the other players were great. (By the way, he beat two of them which helped.) And, the price was under what he paid on the weekends.

The three men all loved golf, talked up their SIR branch, and were loose and easy to be with.

It didn’t take Rob long to fill in his application and send it along. After all, they were scheduled to play again next week. He might just check out the walking group. That one didn’t even require a sign-up sheet.
