**Big SIR Report**  
*Sir Jerry Pagnusat*

As Nat King Cole once sang... Roll out those lazy, hazy, crazy days of summer. Those days of soda and pretzels and beer. Love this time of year. Hope everyone has the chance to get out and enjoy the beautiful place we live in.

Ralph’s nephew is an impressive guy with a great presentation last month about medical technology. That’s the kind of stuff that’s going to keep us going with a good quality of life.

If you didn’t attend the Bocce Party put on by branch 68, you missed a good one. We had a great lunch, drinks, played Bocce on some quality courts with a good group of branch members and their wives.

Keep an eye out for day trips. Those who attended the Pacific Coast Air Museum trip said the really enjoyed hearing the history and seeing the aircraft.

The new website is continued to be upgraded and you should check out its features. [www.sirinc2.org/branch58/](http://www.sirinc2.org/branch58/)

**Little SIR Report**  
*Sir David Inman*

The next 2 months will be a very busy for me. My wife and I will be going to a 50th Anniversary in Louisiana in late June and a trip to England and Scotland in Aug. We will also be going back to Texas for a wedding in Oct. We have already been to Texas and Louisiana in May and early June this year for wedding. Try to investigate the trips that the SIRS have planned. Check with Chuck Wolf. Also, if you think of a day trip or a longer trip to a place that you think SIRS would like to see, let me know and I will talk to Chuck about it.

The speakers for the July lunch will be the mayor and the city manager of Petaluma. If you think of a speaker that you would like to have speak at the lunch, let me know.

**Sunshine Report**  
*Sir Len Svinth*

Recently I saw a statement that fit my situation square on. “Life is what happens to you while you’re making other plans” This was what I felt when my dear wife fell and broke her leg. Life changes so quickly. My wife is doing as best as she can, is in rehab and will be there for some time to come. I have made some changes to my daily schedule as you might expect. Thanks to all that have sent greetings.

We hope by the time you read this that Bob Myer is on the mend. He has added so much to our group. Let’s keep the visits, cards, calls to all that you know that needs your help and good thoughts.
