President's Message

Fellow SIRs,

As your new Branch President, I would like to thank all the officers, directors and volunteers that made 2025 a great year for our Branch 28. A special thank you to John Hetz for having served three years as our Branch President. He has turned over the President position to me and will become our branch's Secretary for 2026.

The Branch Executive Committee has adopted a "Goals and Objectives" statement that will guide the leadership team in 2026. Stated briefly, we intend to:

- Make SIR 28 a fun organization
- Make SIR 28 a sustainable organization
- Make SIR 28 a compliant organization

Our policies and decisions in 2026 will all be geared towards these goals, and with any decision we make we will be thinking, "How does this help our members have more fun, how does this help us gain new members and insure financial stability, and how does this help us comply with the requirements laid on us from the state organization?"

I along with the other officers, look forward to serving the Branch 28 membership in 2026!

Prez Gary

January Program

"Make your voice heard"

At our Tuesday **January 8th** meeting, instead of a traditional guest speaker, we are going to turn things around a bit. After lunch and a few opening remarks, we are going to break down into smaller, informal groups to get comments and ideas from you members on how we can make Branch 28 better. We are particularly interested in ideas for new activities and special events for 2026. So, over the holidays think about what you'd like to do in the new year and bring your wish list to the luncheon.

December Guest Speaker

Howard Burnham as *Charles Dickens*

Recognition

Curt Parker (above) & **Don Battles** (below) receiving SIR *Distinguished Service Awards* from President John Hetz for their service above and beyond expectations

SIR Monterey Volunteers

Packing 768 "Air Chilled" Mary's organic frozen chickens into 384 bags was the task we successfully completed on Monday afternoon December 15th at the Food Bank in Salinas. Left to right are SIR baggers **Mike Hartter**, **Kim Parker** (our counter), **Gary Parker**, **Lee Beggs**, **Bob Evans** behind **John Hetz**, **Gari Soule'** and **Kim Bambace**. Not pictured are **Marge Hartter** and **Noelle Hetz** who were busy packing protein bags and produce boxes. Our time there included a tour of this very impressive new modern warehouse and office facility plus large outdoor produce growing area. We plan to invite their CEO & Executive Director Melissa Kendrick as a guest speaker in 2026.

SIR Activities News

Our Activities Director **Mike Hartter** reports that there was no **Wine Tasting** event in December, and the group will next convene on **Thursday, January 29th** for breakfast/brunch at The Butter House in Seaside. In addition to enjoying the great breakfasts there, the group will discuss their next wine tasting event(s). Time tbd once we get an attendee count, but probably around 10:30am. Contact Mike if you can come.

Our Special Events Director and Indoor Games leader **Scott Van Tyle** reports that after re-visiting the PG Meeting House since it's remodelling, he's decided to continue meeting at the Asilomar Conference Center for our **Indoor Games** activity. That's because the remodel involved removing at least half of the tables and chairs, replacing them with an entertainment area for performers and a piano. So, the next and future meetings will be at the Asilomar Social Room on January 26th beginning at 1:00pm. Check us out!
