The Big Sir Message from John Didlake

Thanks to Dwight Lang for running the July luncheon as my wife and I were in Georgia for her family reunion. I understand that we were down a little in attendance. However, thanks to all your RSVPs indicating whether you would be attending or not, we were able to give Patty an accurate number of attendees and we basically broke even. Therefore, responding to the Luncheon Invitation as to whether you can attend, or you cannot attend is important. I predict we will be down in attendance this month and in September. This month because COVID is in our rearview mirror and people are starting to vacation and travel again. Even more so this year, as they have not traveled for the last three years because of COVID and restrictions. I suspect September will be down because of Bill Britton's SIR 101 Croatia Cruise.

On that note, we owe Bill a big **THANK YOU** for organizing our SIR 101 international trips. I know that Bill puts a huge effort into the planning, organizing, and hosting these trips. So, **THANK YOU BILL BRITTON**. This reminds me that we are looking for a chairman for local and US travel events. If you like to travel within the US and like to organize trips, please see me.

Good news for you golfers. Dwight Lang has made some arrangements with a local golfing group that will accept SIR 101 golfers into their membership. See Dwight if you are interested.

Also, Dick Edwards has volunteered to help, but not chair, the SIR 101 "Coed" Christmas Luncheon. Thanks Dick. If you are willing to team with Dick to plan the December Luncheon, especially if you have a wife or significant other that loves to decorate and plan gala events, see me. Finally, thanks to all of you who have paid their \$30 dues this year. The board is still working to contact those members who have not paid. You can Zelle \$30 to SIR101treasurer@gmail.com; pay at the check in table for this month's luncheon; or mail a check made out to Sons in Retirement, Livermore Branch to Roger Grimm, 3034 Chateau Way, Livermore, CA 94550. The BEC will be voting to remove from our roll after this month's meeting all members that have not paid their dues

Note: With inflation taking a bite out of our usable funds, especially those with fixed retirement income, if you find it difficult to pay the \$30 dues and/or the cost of the luncheon, please see me discreetly. We have funds to help. Also, if you need a ride to the luncheon contact me, we can have someone pick you up.

I remember being able to get up without making sound effects.

Roger Everett
SIR 101 Board Member

I have been in SIR since 2003, having worked for Sandia for 40 years, been a Livermore resident since 1969. I go camping, ride my bike, have lunch at the Ale house every Wednesday, kayak and do a fair amount of volunteer work. I have served SIR as treasurer, Little & Big SIR, officer recruiter and as a director.

After two Covid19 cancelled attempts, I was finally able to take OAT's Ultimate Africa Safari trip last October with Coleman Johnson. I will try to summarize our trip with a mostly pictorial PowerPoint Presentation.

It seems like lots of us are traveling again and some of the activities are taking a short break. Still, many of the activities are going strong. I hope that you enjoy the reports and photos in this edition. We have news of another SIR event that's available to all members. SIR is sponsoring a day at

the races at Golden Gate Fields to say "Goodbye" to the race-track.

Details for this, and the two upcoming SIR golfing events are available at the end of the newsletter.

Announcements

Dues are DUE. If you have paid, *thank you!* If not, you are past due. You must pay by the next meeting **on August 17** to remain on the roles and continue to attend meetings.

The cost for luncheon at our meeting has returned to **\$35** at the door, and **\$32** if you pay in advance using Zelle.

Age 70 might be the new 40, but 9:00 pm is the new midnight.

Bocce

When: 2nd and 4th Thursdays
10 AM - 11 AM (cool days) OR 9-10:30 (hot days)

Next: August 10, 24, September 14, 2023

Where: Bothwell Park, 8th and H St

Contact: Chuck Molenkamp, Chairman, 925-413-1414

SIR101Bocce@googlegroups.com

We continue to have excellent weather and loads of fun playing bocce on the second and fourth Thursdays of each month. On July 13 there were six players and we decided to all play together on one court. The games were competitive and because each team had three players we moved from side to side so each person would roll all four balls part of the time and just two when a teammate was on the same end of the court. All playing on one court makes for better conversations too.

On July 27 there were seven players, so we used both courts with two teams of two on one court and two against one on the other. Of course the one-person team player has to walk back and forth each frame and he gets the biggest workout.

SIR bocce games are played on the second and fourth Thursdays of the month at the Bothwell Park bocce courts at Eighth and H Streets in Livermore. We can always accommodate new players, and the game is very easy to pick up. Normal starting time is 10:00 am, but when the predicted temperature for our day is high we start an hour earlier. The starting time is announced in an email to those on the SIR bocce email list on the Tuesday before each game. If you would like to be added to the SIR bocce email list and maybe join us one of these Thursdays, make a request to Chuck Molenkamp (cmole44@gmail.com).

Dining Out

When: Usually 2nd Tuesdays at 5:00pm

This month's destination was the Lana Thai Restaurant in Livermore, where the group ordered a wide variety of dishes. Some folks commented that it was one of their favorite restaurants in town.

Doug felt obliged to mention that he had recently eaten at this restaurant and at that time thought he would be brave and move up just one spiciness level (Mild, Warm, Thai and

Thai Hot) to "Warm"...oh, boy. Big surprise. He couldn't conceive of what it would be like to order "Thai Hot." The mild level is just perfect for the average person, with a hint of Thai spices.

Next month we may head over to Vic's of Pleasanton, where they have a Tuesday and Thursday night offering of tacos, quesadillas, and gringas (another form of taco.)

SIR 101 Kayaking

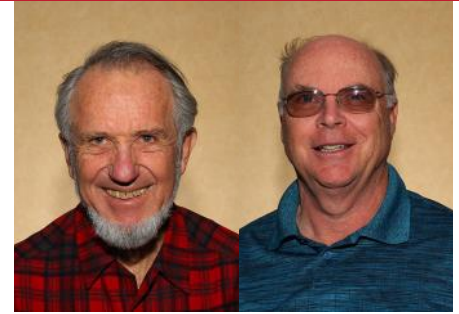

When: Usually First Tuesdays

Where: TBA.

SIR101Kayaking@googlegroups.com

We had a delightful day of paddling the Big Break Regional Shoreline at Oakley on our usual date of first Tuesday of August, the 1st. Six of us launched and six returned. The original plan was for a one-way trip from Pittsburg to Big Break, with a shuttle to reunite paddlers and kayaks with cars. However, the weather forecast of WSW wind at 16 to 19 knots precluded that plan. Such wind, with a long fetch against the tidal current, was expected to produce rather bumpy, white-capped wind-waves, not ideal for a 9-mile paddle.

We therefore explored the Big Break area, out to the big river, but mostly in the sloughs that connect to Franks Tract and Bethel Island. Total distance, estimated from an internet map was 5-7

miles, a bit shorter than our normal outing. We returned to the launch point for snack and conversation. Altogether, another fine day on the water in good company.

Our usual date is the first Tuesday of the month. We usually paddle somewhere within about 50 miles from Livermore, such as Lake Del Valle, the delta, or San Francisco Bay. Future trips may be a bit further away, to the Russian River and Lake Tahoe. If you don't yet have a kayak and would like to join us, contact me: some of us have extra boats to share.

We meet every Wednesday at the southeast corner of South L St. and Railroad Ave. and leave at 8:00AM (Ramblers and Scramblers) or 8:30AM (Amblers) for our hiking destination.

Spouses, friends and family are welcome.

We form three groups of various hiking levels (Amblers, Ramblers, and Scramblers). Bring plenty of water. The Amblers do a level hike usually at a park such as Sycamore Grove, Shadow Cliffs, or Holdener. The Ramblers do a moderate hike and the Scramblers do a more strenuous hike at one of the many surrounding regional parks such as Del Valle, Sunol, Morgan Territory, Pleasanton Ridge, Vargas Plateau, Garin/Dry Creek, Coyote Hills, Brushy Peak or Lake Chabot.

Hiking is good for your heart, good for your brain, and good for making friends. I guarantee we have a group for you. Try it, you might like it!

Our Motto: Remember, there's no such thing as bad hiking weather, just inappropriate clothing.

2023-24 SIR 101 Trips

It won't be long now and our group of 30 travelers will be off on our Croatia & Its Islands trip. Several people are leaving earlier than the main group for some additional adventures and others are staying longer to do the same. In a few months you can expect a report after we all return.

I am working on an ambitious itinerary for next fall. It will start with "The Treasures of Egypt" (starting 10/3/24) with the possibility of an added extension to Petra in Jordan. There is a separate trip "Exploring Greece and Its Islands" (starting 10/17/24) which will follow the trip to Egypt. You can choose to go on one of these trips flying round trip from SFO, or join us for both trips back to back flying out bound from SFO to Egypt and returning to SFO from Greece. Of course it will include trans-

portation between the two trips as well. These are in the eastern end of the Mediterranean so this would be an efficient way to see both of these ancient and historical regions. I won't be working on promoting these trips until I return from our fall trip in late October. You can always email me with questions or let me know if you might be interested in joining one or both trips. I will also be at the August SIR meeting and where can talk in person.

Happy travels,

Bill Britton

The big joke on mankind is that computers have started asking humans to prove they aren't a robot.

Kids today don't know how easy they have it. When I was young, I had to walk through nine feet of shag carpet to change the TV channel.
