## March Speaker

**Dr. Ed Sherman**

Topic: Medicine, Pharmaceuticals, and Aging

Fellow Sirs Members,

I am pleased to announce that your Branch Executive Committee (BEC) agreed at our last meeting to continue with our Annual Picnic. The primary driving force for resuming the event is the high number of fellow members willing to pitch in and help. Those volunteers will be invited to the March BEC meeting to flesh out the details. For now...schedule Tuesday, June 11 for the picnic at Micke Grove. Tickets will go on sale at our April meeting.

Thank you to the members who took the time at our February meeting to fill out the "Activities Questionnaire." Your feedback will be helpful for our BEC to determine how to proceed. Topline... there is noteworthy interest to explore the following: golf demo day at local course; bocce; bowling; and wine tasting. Stay tuned!!!

If you were absent in February or have additional thoughts about the picnic, please feel free to email me at

Regards,

Paul Wright, Big Sir

Dr. Ed Sherman is an adjunct professor for the University of the Pacific's Thomas J. Longs School of Pharmacy and Health Sciences. Earning his Doctor of Pharmacy from the University of Southern California in 1963, Dr. Sherman spent the next 30 years practicing different aspects of Pharmacy until his retirement as an independent pharmacist. Following his retirement, Dr. Sherman was asked to initiate a class at UOP for those student pharmacists interested in expanding their views of independent business and entrepreneurship. Dr. Sherman's class is still taught as an elective at UOP with over 450 students completing the course within the last 22 years. A number of these students now own and operate their own independent pharmacies and other entrepreneurial businesses.

In addition to teaching and operating his own 340B consulting business, Dr. Sherman is active in NCPA, the California Pharmacist Association as State Treasurer, his local pharmacy association and APHA. Free time will find him at any baseball game or traveling the world. Currently Dr. Sherman resides in Stockton with his wife Sheila who he has been happily married to for over 56 years. He is extremely lucky to have both of his married children and 4 Grandchildren living within close driving distance.

# February Financials

We had a \$511.68 reduction in the bank balance. This amount consists of a net loss of \$176.68 due primarily to the first quarter assessment by the State office and \$335.00 deposit for the June 11th picnic.
