APRIL 2019

Big Sir Article

April Speaker

Fellow Sirs Members,

I am pleased to report that the 2019 Picnic Committee and the BEC had an excellent start in the planning of our annual picnic (see ad for details). In particular, our focus is increasing activities that draw more members and members that are a couple. As always, we will have bingo and a raffle. Additionally, planning is in the works for a Putting and Chipping contest, Bocce ball, a "Washer" game and pictures of all attendees. Come prepared to purchase tickets at our April 9 meeting. Ernie Baca will man a sales table starting at 10:45am.

In closing, your BEC is dedicated to continue to enhance the activities of Branch 145. We are conducting a planning session on March 26. The primary goal is to plan out our activities through year-end 2020. We have the activities survey and a special focus group data we conducted recently to provide us with some tools to guide us. Please let me know by email if you have any particular input or feedback for our consideration drpaulwright49@gmail.com.

Regards,
Paul Wright, Big Sir

Judy Kenney

F & M Bank

Judy Kenney started her banking career in 1970 as a part-time teller with the then Chase Manhattan Bank in upstate New York. She worked there for almost 10 years and then took the "corporate ride" with her husband, who worked for ConAgra Foods. They moved to four states: Colorado, Minnesota, Michigan and California. Judy worked in banking while living in most of those states. She started her career with F&M Bank in May of 1994, after ConAgra Foods purchased Klein Brothers' fruit and nut division in Stockton in 1993 and transferred her husband to California. Judy has been the Branch Manager of the F&M Woodlake Plaza Branch since August 2004, and is a Vice President of the bank.

Judy has two daughters: Susanne Boysen who lives in Linden with her husband, Rance and their four children, and Heather Filippini who lives in Sacramento with her husband, Ryan and their two children. Judy's husband of 45+ years, Bill, passed away in January of this year of Parkinson's disease.

March Financials

The bank balance for March 2019 increased by \$38.47.
