Big Sir's Salutations

Dear fellow brothers of SIR,

I am sometimes asked about the wellbeing of someone in our SIR Brotherhood. When someone asks this question, it is with good intentions. But I should not share personal information about anyone without their permission.

We are family at SIR and it is important that we care for one another but we must always be careful that private information is guarded. A good rule of thumb is that when one of our brothers share something with me or you that is not public information, we should not share that information with anyone else without the permission of that brother

I know this is difficult for all of us and please talk to me about this subject if you have any concerns.

See you at the meeting.

God's blessings,

Jim

Little Sir Grayson Marshall

In case you don't know Little Sir Grayson. I am retired from the Transportation Planning and Engineering field. I have been a member of SIR for about two years. I currently reside in the Southwest Reno area. I enjoy playing golf, mountain biking, snow skiing and RVing. I look forward to recruiting interesting and fun speakers. Any assistance is greatly appreciated.

Next month speaker is David Borges a local D.C. in Tahoe who has spoken at previous meetings. The subject matter is on Tahoe history and can best be described in Dave's own words.
