

SUNRIDGE 3/2/26

Golfers,

The weather turned nice for us today with lots of sunshine, a few clouds, and a cool breeze. Thirty-one golfers played in our 4-man scramble, and we finished in about four and a half hours.

The competition was very tight - only 4 strokes separated first place from last. The winning team was Fry/Keller/Lemons/Spacek at net -12. We had a two-way tie for second and two-way tie for 4th.

KPs were won by Tom Sawyer (8'7") and Ted Spacek (6'10").

I worked out the Net Skins game, and posted the results on the attached page. However, the payouts are so small, that it doesn't make sense to play team skins anymore. So we'll put that money into the golf "bank" to add to future games. Anyway, there were six skins won.

See the attached file for details of today's tournament results.

Next week we will play at Empire Ranch. Look for your invitation soon.
