

SILVER OAK GOLF COURSE - 3/16/2026

Golfers,

What a beautiful day for golf at Silver Oak today! No clouds, minimal breeze, temp in the 70s. The course is greening up. The greens were a little tough due to maintenance.

The game was a 4-Man best ball counting 2 balls on the front nine and 3 balls on the back nine. This was a good way to keep everyone in the game.

The winning team of Caldwell/Carmona/Ghilieri/Tillman blew the field away at -18, 14 strokes better than the second place team of Finkel/Jannis/Wadsworth/Wolf. The winners were help by Ghilieri and Carmona shooting net 61 and net 65 respectively.

Unfortunately, the course marshals neglected to place KP markers on the course. Had I been in the first group I probably would have been able to call the pro shop to get them positioned. Sorry about that. We enhanced the Best Ball pot with the KP money.

There were 5 Gross Skins and 6 Net Skins won.

Nick Jannis topped the Leaderboard with second place best ball, two Gross Skins, and two Net Skins for a total of \$49. Nice job, Nick!

Thanks Tom Sawyer for helping out with the purse.

Next week we will play at Washoe Golf Course on Tuesday March 24th. 9:30 Shotgun Start. Look for an invitation soon.
