VOLUME 2  
FEB 2016

NEXT MEETING  
MARCH 2, 2016

---

## **BIG SIR - RON WOLYN**

Our success comes from a positive team effort, not just the active participation of a few, but the active involvement of all of us. Thanks to all of you, the Lake of the Pines SIR Branch #170 members, we are successful in all we do! Our membership continues to grow and our members continue to step forward when called upon. Our Nominating Committee has been selected, with former Big SIR Elmer Curtis as the Chair. They are now in search of Board Members and Officers for 2017.

Thanks to our Audit Committee, Dick Green and Peter Kenyon, for a recently completed successful 2015 Branch Audit. We are a financially healthy SIR Branch. We are already planning for our SIR Fun Day, scheduled for Saturday September 10th. This year's event will become a great success with your involvement and participation. Please set the day aside for bocce ball, a putting contest, and a small golf tournament, all with your spouse by your side...a real "Fun" day.

Speaking of fun and success...our first Area 33 SIR Golf Tournament was Monday 2/15, at Morgan Creek in Roseville. We had 13 players from our branch and a total tournament roster of over 56 players. We look forward to, once again, bringing home the winnings! We are in consultation with the SIR Branches at Alta Sierra and Lake Wildwood in an effort to establish an annual tournament to be played at each of the three courses. This should perk your interest!

Please go online and keep up to date on all we have to offer you to make your life more enjoyable.

Being a SIR means meeting and making new friends and enjoying life to its fullest. Invite a new friend to the next SIR Luncheon Meeting, you'll be glad you did.

## LITTLE SIR - JIM GOETSCH

Our February meeting went well, with a presentation by Jerrod Sieberg, an ombudsman for elderly drivers for the Department of Motor Vehicles. He gave us some good information regarding the relative safe driving habits of seniors, some material to keep us up-to-date with current rules and regulations, and some information regarding our rights as senior drivers.

In March we are scheduled to hear from Sheriff Royal, who will address law enforcement issues in Nevada County. He will update us on the current Board of Supervisors' discussions regarding marijuana growing restrictions, as well the latest status on the various crimes and punishments in the County.

In April we will have a presentation by Kate Marden of West Coast Falconry. She will be bringing some hunting birds and educating us on the sport of falconry. I suggested that she could do us a service by clearing out our geese and cormorants, but she thought that might leave a lot of loose feathers floating on the lake.

Please let me know if you have any ideas for presentations this year, anything you'd like to know more about, or interesting speakers that our SIR members might enjoy. I can be reached at 278-3205 or [jimgoetsch@hotmail.com](mailto:jimgoetsch@hotmail.com).
