

# **SONS IN RETIREMENT LAKE OF THE PINES BRANCH 170**

VOLUME 4  
APRIL 2016

NEXT MEETING  
May 4, 2016

## **BIG SIR - RON WOLYN**

Spring has arrived and everything is growing beautifully! The Growth is happening with our LOP SIR Branch #170, with 7 new members joining in the fun with us this past April Luncheon Meeting. Welcome to all, we want to get to know each of our members, both new and old. As has been said, each new friend once was a stranger.

Our April Luncheon meeting was for the birds...I mean, we had a Falconer present some birds, a few falcons and a barn owl. The presentation was both informative and entertaining, just what we are hoping for at each Meeting. Our Little SIR, Jim Goetsch, has more excellent speakers with interesting presentations scheduled for coming months.

Speaking of winning presentations, you may have seen recent SIR pictures of the "fanning of the money"...each month we celebrate our many golf tournament victories, this past month was no exception. We had 14 players participate at Auburn Valley and 7 of them were winners! Jim Gunn and Jim Goetsch placed first in their respective flights. Clarke Phillips was closest to the pin, and Robert Reeder, Darryl Chandler, Dennis Camralinghi and Ron Wolyn placed. Our next tournament will be at Woodcreek in Roseville on April 25th.

We announced at our last meeting, and since have sent out an email reminder that we are keeping track of your attendance at our Monthly Luncheon Meetings. Our December Christmas Dinner Dance has become a number one event, especially for the SIR wives. We may have more SIR members wanting to participate than space will allow, if that becomes a problem for us, we will be looking at your attendance to determine who might have to stay home and explain it to your wife. RSVP to each Luncheon notice and let us know if you can or can not attend. Maybe you have a medical issue or are away on vacation, let us know so we can note that on the master list.

See you all at our May Luncheon Meeting on the 4th. Remember, we are now serving desert along with those great meals!

Thanks for letting me be your Big SIR, I appreciate you

## LITTLE SIR - JIM GOETSCH

Branch 170 had a well-received presentation in April by Amber Kelley of West Coast Falconry. She introduced a falcon, a hawk, and an owl and explained some interesting differences among them. For our May meeting we will have a presentation by Ed Schofield, our Nevada County Supervisor for District 2. He will be speaking on the status of the County from his perspective and giving us a glimpse of what lies ahead.

We are interested in ordering some SIR golf shirts for interested members. Some have expressed an interest in having some embroidery designating the owner as a member of the Bocce Ball Team or the Golf Team. If you are interested in ordering something like this (with or without the special embroidery), please let Glenn Delisle or me know. We will be gathering some catalogs and prices to present some options at the next meeting.
