## Ladies Day Program

### The Great Morgani

Frank Lima, who describes himself as “A Middle-Aged Stockbroker Turned Street Musician”, can be described as a costumed accordionist, but that would hardly do him justice. If you’ve never seen The Great Morgani before, you’re in for a big surprise. If you have seen him perform - for example, along Pacific Avenue in Santa Cruz or at local Farmers’ Markets - you’ll know that his unique brand of entertainment is guaranteed to put a grin on every face. Don’t miss it!

## OUR BIG SIR NORM GRUCEZLAK SEZ:

Last month, although we gained two new members, three members became inactive. Due to the fact that we consist entirely of retired men, we will have more than our fair share of illness, incapacity and loss of driving privileges.

If you notice someone who has not attended a luncheon meeting for a while, take the time to find out why. It may be that he just needs transportation. Let any Branch officer know, as we may be able to help and keep a valued member.

We all should be on the lookout for friends or acquaintances that might benefit from membership in SIR. Keep a Branch 20 calling card with your name and number in your wallet and give it to someone who might benefit from our many activities as described in the back side of the card.

June 8th is Ladies’ day. Our Program Chairman, Greg Horne, has put together an entertaining program which, I am told, will keep your ladies happy. So make sure your spouse or friend puts our June meeting on her calendar.

### ACTIVITIES - Don Little

This past month, Jim Bunker and his band of fisher-men headed out to Loch Lomand on the 18th and word has it they have to re-stock the lake after a very successful day. They caught a lot of fish, had a great lunch and enjoyed a bountiful day of fishing. If you are a fisherman, get out your rod and reel and give Jim Bunker a call to be included in the next group outing.

There is always room for one more at the poker table. Low stakes and a lot of fun every Tuesday from 1 till 4. Call Dick Bemis at (408) 353-282. Play cribbage? call Vern Lillehaugen at 476-0455. Get involved guys and have a good time.

### GOLF

The SIR'S State Tournament qualifying round will be played at Spring Hills Monday July 25. We hope you will participate in this once a year event and make our Area 10 group look good. Currently 20 players are signed up and there is still plenty of room. You can pay your \$46 entry fee to Norm Haney or Mel Bowen any time up to July 1. If you like, you can mail your check for \$46 together with your GHIN number and telephone number to Mel Bowen, 3371 Ashwood Way, Soquel CA 95073.

You will be competing against players of your own skill level for there will be seven flights. If you finish first or second in your flight your fee for the state championship at Laguna Seca in October will be free. There also will be closest to the pin prizes. The entry fee is \$46, \$11 of which goes to the state organization. The balance of \$35 covers your golf and the cart fee at Spring Hills.

State officials will conduct the state championship scheduled at Laguna Seca, October 18th.

### TRAVEL

## **SIR HAPPENINGS**

Some of you may not be aware that the State SIRs puts out a quarterly newsletter called "SIR Happenings" with stories of activities and events at the different branches. You can access the latest addition at <http://sirinc.org/sirhappenings/> or by going to the Main SIRs web page at [sirinc.org](http://sirinc.org).

## **NEW Email RSVP PROCESS**

The online RSVP process for our meetings worked even better in May, with over 80% responding by the Friday deadline. Keep up the good work! In June when you go to the response page, remember that the Guest Count stays at 1 when you answer "Yes" - that's you. Make sure you increase the Guest count to 2 before you hit "Reply" if you're planning to bring your spouse or girlfriend. Thank you!
