Program

The Global Mission of the Mercy Ships

Our ladies day speaker is Amy Nyquist whose history includes producing videos for rock bands, ten years as a disc jockey on 100.7 ("The Bridge"), helping women and their children as a member of the City Team organization, and for the past six years acting as the Bay Area Resource Development Manager for Mercy Ships whose independent floating hospitals have been bringing hope and healing to those in desperate need in ports all over the world since 1978.

OUR BIG SIR TOM DUNCANSON SEZ:

Well, it is starting to feel like early summer around here, which means Ladies Day is here!

We have a record six new member applications, including four who came to us because of publicity in the Sentinel. Since those four may not personally know any of us, I'd like to ask all of you to make it a point to say "hello" and make them feel welcome. Also, I'd like to give a "shout out" to Steve Tedesco and Joe Mingione for their work on getting the SIRs story out.

I hope you were able to attend our May luncheon meeting where our member Gary Quinn led a wonderful and insightful discussion on education in America today. Thank you Gary!

Just for fun... the next intra-branch (ie 20A vs 20B) Bocce meetup will be Thursday, June 13th with lunch starting at 11:15 am, at Bocce Cellars on Encinal Street. All are welcome; no experience (or talent for that matter) is required.

SEA STAR PRIZE! As many of us SIRs are aware, we have among us a celebrity sculptor. SIR Jerry Clarke has started a cottage industry with more than 1500 homes being adorned with his famous Star Fish. He uses a mold to form the body then applies up to 300 spines on each one. After a bisque firing they are layered with 6 coats of glaze and fired again at 1650 degrees. The 8"x8" clever pieces are now in 15 different countries and more than 20 states. Last year Jerry graciously donated one of his Sea Stars to our branch as a prize for the SIR member who sponsored the most members during calendar year 2018. The 2018 winner was Don Little who decided to offer his Star Fish back to the branch to encourage yet another year of membership growth in 2019. Thank you Jerry and Don!

OUR LITTLE SIR LES YEFFA SEZ:

The SIR State Sporting Events Committee has arranged for tickets for the Battle of the Bay, A's vs. Giants game on Sunday, August 25. If you are interested or have questions, please contact Lee Moy on the web at leehealthstudio@gmail.com or call him at 559-709-9851.

We still need some volunteers to assist with committees and to help sell the 50/50 tickets as you come in. Remember, sponsor a new member and you will receive a free lunch.

The sun is shining so come on out and join in the fellowship of our monthly meeting.

In Search of Excellent Speakers

Our new Program director, Jim Healey, invites you to send him the name and contact info for someone you believe would make a winning presentation for us Send to: JimHealey36@yahoo.com

Travel

Surprise - we are still looking for a Travel chair. I encourage you to discover travel brochures at the luncheons and on the Travel page of our Branch 20 website.

Here's a specific recommendation: Get ready for one of the best New Year's travel packages ever! New Orleans and the French Quarter! Airfare and home pick-up transfers are included. Slots are already 30% sold; never before have the organizers had such strong early response to their New Year's tours. Look for brochures at the luncheon or online.
