Dear SIRs,

I am filling in for our Editor, Ken Jenkins, who is in the hospital. He is recuperating and will be at our August luncheon. Here is the news. Big Sir Tom is vacationing in Spain. -Les Yeffa

August Speaker

Ronald J. Fields, grandson of the great WC Fields, will share his memories. You don't want to miss this.

August Lunch Menu

As I write this, I do not know what the lunch will be, but be sure it is fit for a SIR!

Big Sir Tom Duncanson Message

Our speakers are gaining interest within our demographic thanks to Jim Healey. Specifically, the articles in Sentinel's CoastLines column, submitted by Joe Mingione, are bringing in a few prospective new members each month. Your BEC is working toward handling these new folks so that there will be a more positive connection with our branch during the luncheon and in the next month or two. Request... we're going to need a couple of volunteers to engage with our "Sentinel guests." If you are interested, please contact Joe Mingione or myself. -- Many thanks.

Little Sir Les Yeffa Message

SIRs, we have a strong Branch going for us. We have many activities, good programs, good food and good fellowship. In order to continue, we need some SIRS to step up and assist. There are 103 members in our Branch. We usually have about 60 members at our lunch. What we are in need of now is for members to step up and take a committee chairmanship or be an officer. It only takes a few hours a month and as we are all retired, we should be able to find the time. If you are interested in being a chairman for one of the various committees that you find in the monthly bulletin, helping as a greeter, selling the 50/50 tickets or being on the Board, please contact either Big Sir Tom or myself.

We look forward to seeing you on Wednesday, August 14th for good fellowship, a good program, and of course, good food.

Les
