Program

Stay Home and Stay Safe

OUR BIG SIR LES YEFFA SEZ:

My fellow SIRS.

Hopefully this finds you and your families well. I’m sure you are all getting cabin fever being cooped up. Wouldn’t it be nice to be out playing bocce or fishing, or playing cribbage (other than with the computer). With the nice weather it makes it even harder to have to stay in the house.

Regretfully I find it necessary to cancel our May meeting. At this time, we are not sure if the Lodge will be open or if the shelter in place will be lifted. Even if it is, in talking with the BEC, it was felt we should wait until June.

With the thought that we will be able to meet, June is usually our Ladies Day meeting. But I am going to ask that the June meeting be one where we can all get back together, have a drink, have lunch and just talk about what we have done.

Then we can have our Ladies Day in July with a nice program and try and get back to normal.

Your BEC will be meeting again on May 13th via Zoom. There isn’t much to discuss but it is something we need to do. As an organization we must continue to operate. If enough SIRS are interested, we might be able to set up a ZOOM meeting on line. Just to get together and talk for a while. I know I have done this with other organizations. And if you don’t have a camera on your computer, you can always just call in on your phone and talk with us. Please let me know if this interests

you. My e-mail is lesscruz@aol.com

If any SIR needs assistance with shopping or transportation, please let me know. If I can't find a SIR that can help, I know I can find an Elk that will be able to.

Stay safe and stay well. My best to all of you and your families.

OUR LITTLE SIR STEVE TEDESCO SEZ:

Mike Banks of Area 14 golf reports: "Allen Stobaugh is out of ICU after being stricken with COVID-19! This is absolutely great news, and I know our thoughts and prayers for Allen and his family were a major factor in his recovery."

MEET THE NEW MEMBER

We already heard some things about SIR Ed Bush in last month's Bulletin. Ed is an avid fisherman and has made an offer to take up to four SIRs at a time out fishing once the restrictions are lifted.

Ed says he is the sixth of nine generations of his family to live in California, his ancestors having come here as part of the gold rush. He was born in Berkeley and grew up in the Bay Area. He graduated from San Jose State with a major in Accounting and Finance. After working for Bergman's Dept Store in Willow Glen he started his own company specializing in electronic components. He was head of that company for 30 years, retiring in 2013. Ed and his wife Jessica have two sons.

Ed still lives in San Jose, but keeps his boat here in the Santa Cruz Harbor. He says he has been very pleased by the welcoming attitude of all the Branch 20 SIRs.

A LOGO FOR THESE TIMES

State President Ed Benson sends along this note: "Here's something created by Lee Moy. We think it's pretty cool, and we hope you or someone in your Branch can use it."
