Monthly meetings on 2nd Wednesdays Carmichael Elks Lodge 5631 Cypress, Carmichael
10:30 am Executive Meeting, 11:00 am social Noon Luncheon, Cost \$19.00

Next luncheon meeting is May 8, 2019

Please call Dave Nemzek (916-481-7173) by May 2, 2019 if you cannot attend the meeting. That is the Thursday before the May 8, 2019 meeting. We need an accurate count and need your cooperation to have the proper amount of food at the luncheon, so if you are bringing guests, please let us know, also by May 2, 2019.

BIG SIR REPORT by Phil Sittner

Tournament director Gary Bradley reports that spring has finally arrived and our members are smiling. Not only for the 18 hole events, but also for Steve Ng's 9 hole program. These gentlemen, along with Cass Mastalski, Scott Kenny, John Mahoney, Bill Sutherland, Rich Singer, George Hood and Wayne Hippenstiel put significant effort into these events and we owe all of them a hearty thanks for a job well done.

Gordon Callander is developing a co-ed hiking group for our branch. He will have a signup sheet at each luncheon table during the May meeting for those interested in participating. Gordon's wife Gladys is quite the hiking enthusiast and has a large number of events planned. It should be a great program for all of us.

Our Bocce program is off and running and hopefully this activity is also free of any further rain postponements. Dave Peterson is happy with the continued growth in the number of players but still has room for more. We hold our practices at the Dante Club and tournament play will begin soon. The events are currently scheduled for the first and third Mondays at 10:30. Contact Dave should you wish more information on the scheduling.

May 14th is the date of the Lady's Day Picnic. We will still be accepting signups during the May luncheon. Like last year, the fee is \$10 per person. The committee is arranging for Bingo and the golf chipping contest (at least I hope so), along with the food. Deb and I had a great time last year and look forward to this one as well.

In September we will hold our 50th anniversary celebration and bill it as a Lady's Day event. The event will be held at Northridge Country Club, a very nice venue. Details regarding meal selection, times, and the beginning of registration will follow. Our 50th anniversary is quite a milestone and throughout the balance of the year our historian, Bill Sutherland, will be providing literary snapshots of key events in our evolution. It's an event we should all be looking forward to.

Gordon Callander has accepted the role of Nominating Committee Chair. The strength of our organization revolves around membership participation and we can always use volunteers. None of these positions require major commitments of your time, but provide you with an opportunity to grow friendships and develop a better understanding of how SIR functions. Please take the time to talk to Gordon to see how you can help the branch.

Finally, Dave Nemzek would like to thank our members for the great job done recently in notifying him of any planned absence for our luncheons. I have mentioned in the past that we must pay for any lunches that we order, whether you attend or not. If you do not call Dave (916-481-7173) we order lunch for you.

LITTLE SIR REPORT by Dave Peterson

"We must constantly build dykes of courage to hold back the flood of fear." Martin Luther King, Jr.

3 YEAR BRANCH IMPROVEMENT PLAN:

As many of you know, we have been striving to create a plan that allows our organization to better prepare for the future. We cannot only focus on our immediate needs; we must have a long term vision. With that said, we are developing both short term and long term goals. As we've all experienced in our personal and professional lives, proper planning leads to peak performance.

In order to develop this road map, we need to obtain as much information from the members of Branch 23 so we can meet the needs and goals of the entire membership. **We ask that you share any questions, concerns, thoughts, or ideas with the board and the officers to assist this project.**

APRIL's Guest Speaker: Terry Hennessy of Senior Softball USA.

With both keen entrepreneurial skills and a love for the sport of softball, Terry has built a successful organization. Senior softball USA encourages ball players to play well into their eighties, keeping both body and mind in shape. He has helped spread the sport within the U.S. and internationally for over 25 years.

The May speaker is to be announced.

SUNSHINE REPORT: by Chris Christopherson

As always, I request assistance from all members by keeping me informed about deaths, illnesses, and other medical problems of fellow members so I can publish them in the newsletter and send cards. In April we lost two fellow SIRs. Former Branch 23 member Jim Borden passed away on April 14, 2019 after a lingering illness. Member Carl Baumgartner died of cancer on April 17.
