

SIR Branch 32 Hiking Plan

The BEC approved this new activity starting up 3/11/21! A great way to get out of the house and get some good exercise and fresh air.

We walk around the Vasona Lake to the backside of Old Town Mall in Los Gatos via the Los Gatos Creek trail.

Meeting Place: At the top of the Vasona Dam across the street from 281 Garden Hill Dr Los Gatos.

Meeting Day/Time: Every Monday at 8:50am. We leave for the walk at 9am and return at 10:30am. We go roundtrip 4.2 miles on a level paved trail.

The goal is camaraderie with our fellow SIR friends while maintaining good cardio and muscle tone in a healthy, invigorating environment. Health and well-being is the ultimate objective for all of us while providing opportunity for conversation amongst friends.

Guests and wives are encouraged to join us if they wish.

We also plan special hikes in the area which are announced by email and at the luncheons.

You are encouraged to RSVP to Doug Krause at diamondtub@sbcglobal.net or at 408-821-3263 Mobile.
