SIR's:

For those of you who were unable to attend the SIR Christmas party, a good time was had by all. The food was great, a lot of us danced until the D.J. pulled the plug. I'm looking forward to working with everyone in the coming year in my new post as Big Sir.

The guest speaker for our Jan 3rd meeting will be CHP Officer Brian Danielson.

Happy Holidays to all – Big Sir, Tom Bethards

ACTIVITIES

YUBA CITY/MARYSVILLE BOWLING

Ray Buttacavoli, 530-329-2038

Jeff Brockman, 530-755-0746

Nothing but surprises from the Beale Commander. Effective Monday, December 13TH the bowling center could go back to using all the lanes. So, this past Wednesday was our first session “bowling together” again. It seemed that the bowlers had a more enjoyable time being able to interact with each other rather than being separated. We had to remember what it was like to bowl with “bowling courtesy.”

As I mentioned in my last article, we were preparing to run our first of three Sweepers for the season. We had 21 bowlers competing for over \$500 in prize money. I decided the best way to give you an idea of how we paid the bowlers for their performance was to show all the payoffs at the bottom of this article.

We bowl on Wednesdays at 11:00 AM. All are still welcome to bowl with us, but if you have not bowled with us since we moved to Beale AFB, it will be necessary to contact me so that we can start the paperwork for the Guest Pass. You can contact me at the phone number above or via email at rdb0416@comcast.net.

SLOW TROLLERS

Fred Preston, 530-300-2125

Pat Dilling, 530-218-0641

Slow Trollers had a split event in November. About 13 of us went to fish some saltwater, took The Happy Hooker, out of Berkley, for a Crab/Rockfish Combo. All of us had 8 or 9 crab and 7 or 8 rockfish. Long day but it was fun.

The other part of our event was 8 of us went to Lake Oroville for some fun fishing. Everyone reported great catches of Black Bass and good weather. Getting back on the lake gave alot of us great enjoyment, as the lake has been closed since August, low water no ramps.

We have our meetings at the Moose Lodge first Monday each month at 9:00 am, coffee and donuts available.
