Hey Fellas,

It's that time again. The membership will be electing the officers for 2023 at the August luncheon. So far it appears all will go well with the exception of the position of Secretary. We have no nominations. We will solicit nominations at the meeting. Join the team. I know there are those out there with the skill and know how.

We will be presenting two 90-year-old certificates along with other presentations.

This will be a particularly good meeting, don't miss it.

Stay Cool.

Your Big Sir

Tom

One of my most important jobs is to find & coordinate our guest speakers.

Sutter County Sheriff Brandon Barnes will be our guest. He's just been elected to a second term, he's a good speaker and will have lots of good information and answers.

FROM BILL CROCKER, BRANCH #45 ATTENDANCE CHAIRMAN

SIR Branch #45 reopened in June 2021 after being closed for one year. This hiatus took a significant toll on the membership. Forty-three members decided not to return, and the return to luncheon attendance by active members has been slow. Many members are attending sporadically not realizing that this lack of full support adversely affects the viability of the branch.

Please remember that SIR is a social organization. Its only function is to bring men together for a few hours each month for a luncheon and to listen to a speaker. The state organization determines its financial assessment of each branch based on the number of members, regardless of luncheon attendance, so the small amount each member pays at the luncheon defrays this cost.

PLEASE SUPPORT OUR BRANCH BY REGULARLY ATTENDING LUNCHEONS

ACTIVITIES

YUBA CITY/MARYSVILLE BOWLING

Ray Buttacavoli, 530-329-2038

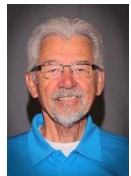

Jeff Brockman, 530-755-0746

As our season winds to a close, we are preparing to start our new league on August 3RD. Since we operate our league on a year-round schedule, we begin on the first Wednesday in August and end on the last Wednesday in July of the following year.

Rather than running our sweeper on the last day of our league, we postponed it to the first day of our new season. The reason for this was several bowlers not being able to bowl on the last day of league. The Sweeper will be paying out about \$525 in prize money to all the bowlers that participate. In my next article, I'll provide a listing of the winners and their prize amounts.

We continue to bowl on Wednesdays at 11:00 AM. All are still welcome to bowl with us, but if you have not bowled with us since we moved to Beale AFB, it will be necessary to contact me so that we can start the paperwork for the Guest Pass, which is unless you have a valid military ID. You can contact me at the phone number above or via email at rdb0416@comcast.net.

BOCCE BALL

Carey Saunders, 530-671-5155

Slow Trollers FunDay

We got together at Camp Far West reservoir for some fun fishing and social time. 6 boats and 12 fishermen caught many fish and told a lot of STORIES. Our FunDays are, come when you want, fish how you want then come in for lunch, usually 1 pm but because of the heat we came in at 12. Eat lunch and talk about your day.

Come join us at our next meeting, August 1st, at the Yuba City Moose Lodge , on So. Walton and Franklin Ave., at 9am first Monday of the month or SIRs luncheon day. All fishing varieties are represented in the 47 members we now have.

Well gentleman we made it through half the season or more and things are going pretty well Please keep your eyes and ears open for changes as they come quickly. We would like some input from you guys on what kind of events you would like to play. Do you like best events or low net events or scrambles? When we make the schedules for next year we like to keep your concerns in mind while building our schedules. Any other complaints even compliments please let me know. And remember if you are going to cancel from a tournament you must call the director. Good swinging and stay healthy, Dennis
