ACTIVITIES

YUBA CITY/MARYSVILLE BOWLING

Ray Buttacavoli, 530-329-2038

Jeff Brockman, 530-755-0746

We started our new bowling season on August 3RD, and it will run all the way until July 26TH of next year. Our plan is to take only one week off for the Thanksgiving week. We ran our final sweeper for last season and had 20 bowlers participate. Every bowler won some of the pot of \$525. Following my newsletter is a page showing who we paid for each of the categories.

The bowling center had to raise the bowling fees by \$0.25 per game, but we were able to maintain our regular bowling fees by reducing the amount that goes into the sweeper fund each week. With that reduction, there will only be two sweepers this season rather than the three we ran last year. In my next article, I'll explain our bowling fee structure and our weekly prizes.

We continue to bowl on Wednesdays at 11:00 AM. All are still welcome to bowl with us, but if you have not bowled with us since we moved to Beale AFB, it will be necessary to contact me so that we can start the paperwork for the Guest Pass, that is unless you have a valid military ID. You can contact me at the phone number above or via email at rdb0416@comcast.net.

BOCCE BALL

Jack Schoen, 719-400-9830

Tuesdays 10:00. Played at Kingwood Park on Gray Ave. We are looking for more participation so that we can enter tournaments with other branches.

SLOW TROLLERS

Fred Preston, 530-300-2125

Pat Dilling, 530-218-0641

SIR's Slow Trollers had a good turnout for our tournament at Oroville Lake. 7 boats with 14 people, all had limits of black bass. Robbie Merwin and John Krohn had the biggest limit of fish to include the biggest bass of 3.05 lbs. Weather was great and fellowship was quite rewarding. We told some stories, how and where we caught our fish, some might have been exaggerated but all in good fun.

Come join us at our meeting, at the Moose Lodge in Yuba City, on the first Monday of each month, 9:00, morning before the SIR's luncheon. Coffee and Donuts are provided, at no cost. We usually come early to discuss the last month actions with our other members.

The November meeting will have nominations of officers, for a December election. Now is everyone's chance to step up and guide our club into the future.

The Photo Club is meeting at Tracey’s Diner in Marysville. We meet regularly on the 2nd Tuesday each month at 9:00am. We have breakfast and view a video on photography. Currently, we are going through a series of lessons from National Geographic’s Great Courses series, on cell phone photography. The November lesson is “#6 Photography Principles: Composition”. Please join us for this interesting series of lessons.

In an effort to share our photos, each month we are having one of our club members submit a favorite photo to be published in our monthly bulletin. If you see something you like, please let the photographer know.

DINING OUT

Rich Dettmer, 530-755-4118

Assistant, Phone

On October 10th Dining Out members went out together at The Olive Garden Restaurant, hosted by Sir Guy Rector (Thank you, Guy). There were 26 of us and we had a room to ourselves. The service was excellent and the food scrumptious We had a good time for our last event for the year.

November and December our activity will be dark as usual. Thanksgiving and Christmas are just too full of family activities, a SIR Dinner and other functions to compete with.

We have had a great year with the Dining Out Activity this year. Month by month members have stepped forward to ensure we had an activity by securing venues and acting as hosts. We are all looking forward to 2023 to continue these family affairs. And guess what? We already have a member looking to step forward in January for an outing. The venue not yet secured is Rocco's Bar and Grill in Colusa. We have been there before a few years ago and it was just great. Great food, service, and a special room just for us so we can talk, laugh and act foolish or whatever fun.

If you are interested, you must join our pack first and you can do by contacting me and I will add you to the list which gets you the upcoming announcements of events. All you must do then is call or email the listed event host to sign up. There is no requirement that you attend all events, and you can pick and chose those venues that sound great and fit your calendar. Rich Dettmer 1 (530) 755-4118 or CAPTRLD@SYIX.COM

Gilbert Corchado, 530-434-6525

Whether it's a couple of us or a dozen, the group has so much fun together we want to share our joy with you. We are definitely noticed in the community and meeting new people. Spouses and guests are always welcome. We currently ride as a SIR activity on Fridays from Regency Park in north Yuba City, starting at 0830.

Try it, you'll like it!

From Jonathan Jordan Fitness Blog:

Often, life can get in the way of your passion, and that was the case for Jamie Cashin, who confessed to Bike to Work Ottawa that he had once forgotten his love for cycling. As he rode less and less, his weight ballooned more and more, until he went over 300 pounds. Then somehow, somehow, Cashin turned his life around. He started eating healthy, and just as important, he began riding again. Before long, he was biking to work, and his weight had gone down to 210 pounds. That love for riding had been rediscovered, and Cashin is reaping the benefits of this love affair.
