

Dear Friends,

Our next lunch meeting will be this coming Wednesday October 22nd. Our speaker will be Richard Holmboe. He will be speaking on the giant whales off the coast of California, including slides and amazing video clips. This will be a fascinating program about these creatures.

We will also be celebrating the birthday of our most senior member, Lloyd Lettis. Lloyd just turned a young 105 and we will share the joy of this momentous event with him.

Our annual Holiday Party is coming up on December 3rd. We will have the the Mountain View High School Madrigal Singers entertain us again. This is a reservation only event and a form is attached for your use. Please bring this form to either the October 22th, or November 19th meetings or mail it to Pete LoPresto no later than November 20th.

We'll look forward to seeing you all this Wednesday. Families and friends are most welcome to a great lunch and an informative presentation. We'll see you then.

Best Regards,
Carl
