Dear Friends,

Our March lunch meeting will be this coming Wednesday the 25th. Our speaker will be Don Weden, retired Principal Planner for the County of Santa Clara. His program will be "*The Suburban Model Has Run Out of Gas: Time to Embrace Intelligent Urbanism*". This will be a very informative program as we examine the future of our cities that will greatly impact the lives of our children and future generations.

This is a reminder that your 2026 dues of \$60 are now payable. If you haven;t already made your payment, Pete LoPresto will be accepting it at the meeting on Wednesday. If you are not coming to the meeting, please mail a check payable to 'SIR-5' and addressed to:

Pete LoPresto
1384 Sage Hen Way
Sunnyvale, CA 94087

Also, our lunch costs at Michael's Restaurant have now increased to \$45 for 2026. Exact change would be most appreciated.

We'll look forward to seeing you all next Wednesday. Families and friends are most welcome. We'll see you then.

Best Regards,
Carl
