

Dear Fellow SIRs and Families,

Our next lunch meeting will be this coming Wednesday May 28th. Our speaker will be Dr. Ryan Taylor. He is a Clinical Assistant Professor of Adult Neurology at Stanford University. His areas of expertise include diagnosing and treating illnesses that impair thinking, memory, behavior and speech. This will be a talk on issues that affect so many of our fellow seniors.

Also, our Summer BBQ will be on Wednesday, July 23rd. It will be a traditional 4th of July feast with entertainment and raffle prizes. This is a reservation only event. A form with all the information is attached and these will also be distributed at the Wednesday meeting. Please return this to Pete LoPresto at your earliest convenience.

We'll look forward to seeing you all next Wednesday. Families and friends are most welcome to a great lunch and an informative presentation.

Best Regards,
Carl Orta
SIR Branch 5 President
