NEXT MEETING at Newark Pavilion - Thursday, April 21, 2016

Jim's Thoughts by Big Sir Jim Ulam

Three months into my term as Big Sir for Branch 59 I am still learning the ropes, trying to get better organized, stir up more enthusiasm for our organization, create a culture of service to our fellow members, and trying to have fun. I am definitely succeeding in the having fun department!

In talking to fellow Sirs about volunteering some of their time to

our wonderful organization I am finding that almost all our men are extremely busy with more activities than they ever thought about in their working lives. I am impressed with the number of guys who volunteer for worthy causes, who are on other organization governing boards, who give time to their churches and communities, who travel, who participate in sports, who do things with their wives, who stay busier now than they did when working for a living! My hat is off to all of you "doers!"

I really enjoy meeting guests and new members and chatting with members who have been with SIR longer than me. Everyone has an interesting story, an interesting former career, and an interesting take on life. I enjoy playing golf and bridge and tasting wine and eating out with fellow Sirs and their spouses and I am really having fun being in SIR and I am really having fun being an officer and contributor! Getting involved is like getting into a hot tub, at first you are very tentative, thinking "whoa, this is just too hot," then as you get in deeper you start thinking "whoa, this really feels good," then, as you settle down, you think "I should have gotten in a long time ago!"

I am telling you guys, "come on in, the water is fine, and you are going to love it once you get used to it!" This is what a good retirement is all about, sitting in a hot tub with people you enjoy being around!

SPEAKER Spencer Christian

Spencer Christian has been in the TV news business for more than 45 years,

In college during the late 1960s, his love of language and literature led him to major in English, while choosing to minor in journalism. He also played varsity baseball and had a Major League tryout in his junior year. It was clear to him, though, that his journalistic skills exceeded his baseball talent; so he wisely followed his nose for news.

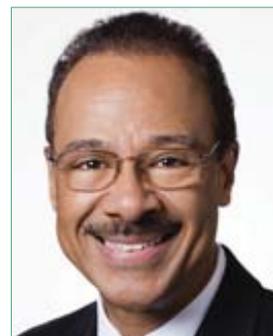

He has been a news reporter, sportscaster, talk show host, and weather forecaster. His assignments and travels have taken him to all 50 states and 5 continents. He has had the privilege of interviewing 5 presidents; the most prominent figures in sports, world affairs, and the arts; and, most memorably, ordinary people who have done extraordinary things. Of course, there have also been unsettling moments reporting from hurricanes, floods, blizzards, earthquakes, virtually every natural calamity known to mankind.

He began his career as a news reporter in 1971, at the NBC TV affiliate in Richmond, VA, just 25 miles from his childhood home. He was then on his way to New York.

He spent 9 years at WABC, During all of those years, he made frequent appearances on ABC's Good Morning America, filling in on weather and doing feature reports and interviews. In 1986, he joined GMA full-time as weather forecaster, feature reporter, and guest host.

After 22 years in New York, he moved to the Bay Area. ABC7 has been his home since 1999, and he now gets to test his forecasting skills for the Bay Area's micro-climates.

With this background he will have many stories to relate to Branch 59 at the April Luncheon.

March 2016 Meeting Minutes

Meeting was called to order at 10:00 AM by Big Sir Jim Ulam; the flag salute and roll call of officers and directors was conducted.

Officers Present: Big Sir Jim Ulam, Treasurer Sir Hugh Twomey and Assistant Treasurer Sir Arnold George.

Officers Absent: Secretary Sir Peter Angeles and Assistant Secretary Sir Jerry Robertson

Directors Present: Sir Nat Lord, Sir George Perry, Sir Jerry Sabo and Sir Al Weiner.

Minutes of the February meeting were approved after Big Sir noted the Secretary forgot to mention that Form 27 was discussed extensively.

Treasurer's Report Sir Hugh Twomey reported a balance of \$3,766.29. He also showed our check register for January and February which indicates a net general loss of \$298.98 for that period.

COMMITTEE REPORTS

Birthday Chairman, Art Winkley, and assistant Sammy Lum, reported on March celebrants. Norman Silveira, at 93, being the oldest March born, and Dave Tanner, at 76, being the youngest.

Bowling Chairman, John Pesek, reported that 29 bowlers showed up for the recently held Chuck Perrera Memorial Bowling Tournament. Our own Branch 59 Larry Sallee won with a near perfect final score of 279! The tourney honors the late Branch 6 Big Sir, Chuck Pereira.

Jim Ulam, standing in for Golf Chairman, Bill Leake, reported that Branch 59 is playing three Mondays a month at Spring Valley Golf Course,

and fourth and fifth Mondays at other courses, like San Jose Muni, Las Positas, Sky West and Monarch Bay.

NEW BUSINESS

The Form 27 discussion showed Branch 59 picked up a net three new members through March and seven new members since January 1, 2016! Twelve guests were welcomed through March. Attendance for the March luncheon is pegged at 118, which is 72% of active members, slightly ahead of our goal of 70% attendance.

Area Governor, Rob Ingebretson, and long-time Branch 59 member, past Big Sir, and Social Chairman, said that he would, again, head up the May Sweetheart Luncheon, only if he got a consensus that the BEC and general members would attend and participate. The board agreed to support him.

Rob Ingebretson brought up his desire to improve the quality of our SIR baseball caps and to ask general members who would be interested in purchasing the proposed better hats as well as SIR shirts. It was moved, seconded and unanimously passed that Rob would order the hats and be in charge of collecting money.

Finally, it was decided by the board that information regarding sick or injured members be sent to the Big Sir since the Branch is without a Sunshine Committee Chairman.

Meeting adjourned at 11:00 AM.

Jim Ulam, Acting Secretary

Strikes and Spares by John Pesek

The Second Annual Chuck Pereira Memorial Bowling Tournament was held on March 7, 2016 with 29 participants at the only bowling establishment left in Fremont, the Cloverleaf Bowl. Sir Larry Sallee came in first by bowling a 667 series for three games with a high game of 279 out of 300. Sir Nathaniel Lord was second and Sir Victor Okumura was third.

During the month of March, Sir Larry Sallee continued his hot streak with series of 619 and 687 with outstanding games of 215, 222, 253 and 265. Sir Roger Wallin bowled well with a 611 series and a high game of 247 and Sir Frank Cordova bowled a very nice 235.

In the last two Sir's Bowling Tournaments' in Stockton and Concord Sir Harvey McAninch, Sir Victor Okumura twice, Sir Don Henry, Sir Lew Heffron and Sir John Pesek placed in the money.

We have several wives who bowled very well bowling with us on Monday.

ready to start practice bowling at 12:45 PM. The cost is \$14 to bowl 3 games. We normally finish before 3:00 PM.

John Pesek

Judy Sallee had a 204 game and Ruby Barker wowed everybody with a 223 game.

We always have room for more bowlers in our group. Usually 15 to 20 bowlers show up on Monday to bowl. There is no team commitment, nor a penalty if you can't make it. We meet at the Cloverleaf Family Bowl. Just show up and be

Golf Notes by Bill Leake

Welcome to the Sir Branch golf newsletter column.

We continue to have a group that plays local courses on Mondays. Our Big Sir Jim Ulam is heading this activity. I will assist Jim later in the year. More details below.

At the April meeting Rob Ingebretson and Big Sir Jim Ulam will be handing out donation letters to us. We need your help. Please take a copy of this letter to your favorite restaurant or place of business that you think would like to make a donation to our Spring Fling to be held Thursday May 19. If the merchant gives you a donation please bring this donation to the luncheon or give it to Rob or me so we can use them as door prizes. Our tax ID will be referenced on the letter so it is a win win for both the merchant and SIR Branch 59. Questions?!

We have activities scheduled for SIR state through this year. They are as follows: Spring time in Napa – April 18 and 19 – just completed. Did you play and if so how did you do?

Team Tournament – we will have another team tournament to be held May 18 (Wednesday) at Metropolitan Golf Course. Once I get more details I will let you know. If interested or have questions please let me know. You will need 4 golfers with NCGA indexes with 4 different handicaps in order to play as a team. This year Branch 26 is in charge of the tournament.

Reno 2016 – week 1 June 13-17 and week 2 June 20-24. Stay at Atlantis Hotel. Play Somerset day 1, Red Hawk day 2, and Lakeridge day 3. Format will be scramble.

Solvang is back and we will be playing there for the Fall Classic. The dates are September 18-21. It has always been a fun tournament so please consider joining us.

Old news – Sunol is closed. It is a big empty field now.

We have been playing at Spring Valley and would like to invite you to join us. Also, if you like to play a certain course and it is not listed then let Jim or me know. If you would like to join us then please call Jim Ulam (797-9357) and you are in. Just that easy.

The group plays Mondays weather permitting. We are also looking at other courses – San Jose Muni, Los Positas to name a few. Please – we need more members for SIR and also SIR golf.

Thank you for reading this article.

CYBERGEEZER MEETING

Cyber Geezers—we usually meet on the Tuesday following our monthly SIR Luncheon. The **April** meeting will be held as usual on **April 26 at Fremont Congregational Church, 38255 Blacow Road, Fremont, CA**. Just show up and you will be a member of our group. The meeting time is from 1:30 to about 3:30 P.M.

What is a Cyber Geezer? We are members of SIR Branch 59 and friends that want to keep up with technology. Topics are varied and usually generated by attendees. If you have any technology topic that you would like included in our next session, please send the information to Jerry at jlsabo@sbcglobal.net. We have previously discussed such things as e-books and audio downloads using devices such as the Kindle, iPad or iPhone, home Wi-Fi systems, cloud storage, Windows 10, Mac OSX and using software such as Excel. More of the previous or most any new topic is welcomed.

We had a good turnout for our March. The bulk of our time was spent discussing pdf (Portable Document Format) files, but we also answered quite a few more questions regarding Windows 10 changes and common threads from the old operating systems.

Jerry is always looking for new topics to discuss, and as stated above, welcomes any input. One option that is always a possibility is Excel, another might be setting up a "blog". Please send in any and all suggestions or questions prior to our meeting. If you have a question, there are at least five others in the meeting that would likely have the same question

SIR members and friends/significant others are welcome, and we do have wireless access so bring your laptop, smart phone or tablet. Call Jerry Sabo – 510-790-3135 or 510-299-3736 if you have other questions. Please send an email to Jerry if you want to get on the mailing list for reminders and follow up data.

Editorial

Last month your old Editor went out to his car planning on being on time for the BEC meeting. The seven year old car would not start. The battery was dead. A call to AAA got me a service man in half an hour or more. He tried to jump start my engine using a portable power pack. He failed! He called for a backup truck to tow me to where I could get some maintenance. An older fellow came with a tow truck, but he said let me try to jump start the engine. He succeeded! I drove to the dealer. The diagnosis: a worn out battery. They replaced my battery and I was ready for lunch.

However, I didn't get to the luncheon until Richard Jones, the speaker, was nearly through. I didn't get any lunch, I didn't get any photos; I didn't know what happened at the BEC meeting. Happily thanks to J.D. Smith (via Jim Ulam) and Rob Ingebretson we have photos of our new members Bruce Hevelin and Jim Draughan.

Like my old battery some of us are wearing out. Please consider doing a little more and volunteer for some of our open spots.
