NEXT MEETING at Newark Pavilion - Thursday, March 20, 2008

Big Sir Monthly Musings

by Big Sir Richard Holley

Well gentlemen 2 meetings have taken place since I became your Big Sir and the wheels are still on the old bus. I am certainly enjoying my office so far and am looking forward to the balance of my term.

I don't know about you fellows but I really enjoyed Lil's talk on the referees and such. Lil is certainly what you would call a stem-winder when it comes to entertaining an audience. I hope that this is the kind of talk you gentlemen enjoy and judging by the comments and calls I have received my question seems rhetorical.

Last Wednesday I decided to attend the Cybergeezers meeting over at the Fremont public library in the Fukaya room. The leader of this group is non-other than our Fred Gotthardt and he really knows his computer operations. This is one of the groups that our Branch 59 sponsors and I have to tell you fellas that it was two hours well spent. I spent a lot of time in my job around computers and I also have one at my home. Fred showed us how to set up our computers for Email and how to trouble shoot problems when you encounter them, some said all you need is Fred's telephone numbers, but he quickly set us all strait on that subject. If you are contemplating getting a computer or already have one this is a group you should consider joining. I really enjoyed myself at the meeting, plus learned how to work with my computer better, thank you Fred for your great work.

Our Speaker - Alan W. Weiner

by Little Sir Don Gillis

Alan Weiner, an engineer, scientist, and hypnotherapist who has lived in Newark for the last 25 years, will talk to us about his new book, "*Just Before the Giggle, A Journey from Suffering to Freedom.*"

Which of us has not been weighed down from time to time by our burden of life's woes? Take advantage of the latest research in cognitive science to gain mastery over your experiences of pain and suffering, transforming them into experiences of interest and wonder. Alan will provide some stories to entertain us, some information to enlighten us, and some techniques that will help us to turn our pain into joy.

Just Before the Giggle documents the discoveries made during a year of mind-body-spirit integration coaching sessions that brought Linda, a medical doctor attempting to recover from a serious illness, from a state of unremitting agony to a state of quiet equanimity, from a person closed in on her own debilitating pain to a person alive and interacting joyfully with her friends, husband, children, and grandchildren. Alan's light-hearted approach to wellness can be combined with the advice from our doctors to create a new level of vibrant aliveness. Unlike any medications we may be taking, the only side affect is an occasional giggle. Learn more at www.jb4g.com.

Officers absent: None. Directors present: Bill Anderson, Bob Benya, Ted Bresler, Bill Dark, and Robert Ingebretson. Directors absent: Roger Wallin.

The Minutes for the January 17, 2008 meeting of the Ex. Com. were approved.

Treasurer's Report: Sir Louis Bufkin reported that as of January 5, 2007 the ending cash balance was \$3,134.34, and membership was 268 active members and 18 inactive members. At the January 17th luncheon there were 194 members (72% of total membership), 4 guests and no visitors present for a total attendance of 198 (Full details are in the Form 28 reports on file).

Big Sir Richard Holley reported on the receipt of a letter from SIR State President Arthur E. Pufford, which included comments: The slogan for 2008 is "Working together for Success;" insurance premiums are 15% less for 2008-2009; election of State Officers for 2009 requires the filing of declaration of candidacy by April 15, 2008; SIR Day at the S.F. Giants and Sacramento River Cats; branch closings in San Mateo, Stockton, and Sunnyvale; there are 157 active branches beginning January 1, 2008 (with two scheduled to merge).

Program: Little Sir Don Gillis confirmed that today's speaker is 'Lil' Arnerich, on "An insider's view of football officiating, as seen through the eyes of game officials." This should be another outstanding presentation, following on the speaker's program on base ball.

Attendance: Sir Hugh Twomey reported that the expected attendance for today's luncheon is 206.

Membership: Sir Ron Brutvan placed John Barr (sponsored by John Clark), and Reed Frederiksen (sponsored by Thomas Russo) up for membership. A motion was made, seconded, and passed to approve John Barr and Reed Frederiksen as new members. Sir Ron also reported on the change of status: Three members have become inactive, and three members are proposed to be dropped pursuant to Rule 100 (unless they show up

for the day's meeting). A motion was made, seconded, and passed to approve dropping from membership Gonzalo Martinez and Richard Paynter.

Birthdays: Sir Art Winkley reported that 24 February celebrants are expected. The most senior celebrants are Clyde Voorhees at 92 and Forrest Lusher at 91 Wow! Our favorite crooner Frank Campos, and Little Sir Don Gillis, are also admitting to February nativities.

Bowling: Sir Frank Cordova reported that upcoming events will be noticed in the next Pathfinder. A notable event was Don Henry bowling a 263.

Golf: Sir Bill Leake reported that we completed our first of two Silverado outings – in great weather; we had 26 golfers between Branches 72, 26, and 59. Las Vegas begins the end of March – a 4 day event which is always great fun; we will be having our pre-qualifier sometime in the spring – no date yet set. Branch 59 golfers play every Monday and Thursday at Sunol.

Bridge: Sir Drag Dutina reported that a questionnaire is being circulated to determine interest in participating in a duplicate bridge group.

Social Committee: Sir Allen Sprague reported that Chair Doug Eads will be calling a meeting to prepare for the May sweetheart event.

Sunshine: Sir Dave Marymee reported that he found a 41 cent stamp celebrating "Forever..." which he used successfully even though postage will cost 42 cents in May, proving that the stamp is truly immortal. Sir Dave also presented reports on the status of illnesses and recovery of several Branch 59 members. A more up-to-date report will be reported in the next Pathfinder.

Cybergeezers: Sir Fred Gotthardt reported the Cybergeezers will meet next Wednesday, February 27th at 2pm, in the Fukaya Room A at the Fremont Main Library.

Walking Group: Sir Don Henry reported that we need more walkers for the regular Wednesday morning stroll.

SIR BRANCH 59 ACTIVITIES

Strikes and Spares

by Jerry Sabo

In recent weeks, we've had 5 new bowlers join our ranks as well as Branch #6 member, Lew Heffron that joined us last year.

We meet every Monday rain or shine, 12:40 pm at Mowry Lanes in Fremont. Cost is only \$5 for 3 lines of bowling. Bowlers must establish a 21 game average to join in

the tournaments so some of the bowlers have not been able to participate this year.

At the Napa Tournament **Gary Bennett** rolled a 691 handicap series in the singles and followed that up with a 697 in doubles. Gary has had to sit out the past few weeks following surgery. **Roger Wallin** rolled a 749 handicap series in doubles so we expect that once again **Don Henry** and Roger will be in the money.

At the Livermore tournament, Don rolled a 705 in singles following that with a 708 in the doubles. Roger had to miss that tournament, but Don's impromptu partner held up the duo anyway. At Livermore, Don rolled a 240 game, **Jerry Sabo** had a 233 and **Frank Cordova** rolled a 250. The doubles team that did really well was the duo of **Bob Edwards** and **Art Winkley**. The pair combined for a handicap series of 1427. This means that with handicap, each bowler rolled an average score of over 237— awesome job guys. It is very possible that "sandbagger" **James Lawrence** will be getting some prize money from the Livermore Tournament – must be the new ball?

	Average	High Game	High Series
Wayne Adams	134	186	500
Gary Bennett	163	227	616

Golf Notes

by Bill Leake

Welcome to the Branch 59 golf column. If you are a member of SIR and like to play golf and not a member of NCGA golf then let me know. We have an exciting year planned for 2008. We just finished session 1 at Silverado. The second session will be April 14. If you are reading this column and have not signed up for the April get together then it is too late. Sorry!

Once again – the state schedule is out. The first tournament will be Las Vegas – March 31 through April 4. This is followed by 3 sessions for Reno – all them in June. Sometime in late April or May we will have a state pre-qualifier tournament. The winners go to Boundary Oaks with the finals being held at Poppy Hills (see below) Then we will have a team state qualifier in late June – with the finals being at Poppy Ridge on August 11. The most popular event of the year has been expanded – Reno is now 3 weeks, June 2 through 6, June 9 through 13, and June 16 through 20; Solvang (play your own ball) September 14 through 17. The state individual final tournament will be at Poppy Hills November 3 with open play also on November 3 and the next day – November 4. As we get down to the end of the year we will have a trip to Mexico – Cabo San Lucas October 18 through 25, and a cruise – Mexico golf/cruise November 10 through 20. Please visit www.sirstategolf.com for more details.

In addition to the above state tournaments, we will also have two area 8 tournaments. In May we will have the area 8 state pre-qualifier. The winners of this tournament will advance to the state qualifier to be held at Boundary Oaks in August. The top two finishers for each flight will advance to Poppy Hills November 3 and play for the state championship – and play for free. We will also have a team competition in June. The winning team, advances to the state team championship on August 11. The input so far is that most golfers that I talked with liked Sunol, so we may have it again at Sunol this year. I hope to have the individual pre-qualifier at Alameda.

Take a Bow –Do you have a reason to take a bow – long drive, hole in one, eagle, other – let me know.

Post post post – don't forget to post your score.

Regular play for SIR Branch 59 – We play every Monday and Thursday at Sunol. Join us – to find out the tee time, please call Sunol at 925-862-0414. The reservation is made under LEAKE.

Thank you **Bill Dark** for calling in tee times for ½ of February and all of March, and **Miguel Ferras** who will be calling in for March and ½ of April. And thank you **Jerry Desmond** for calling in tee times for Mondays. Want to call in? **WE NEED YOUR HELP for next year to call in tee times.** Call **Bill at 793-6561**. Thank you for reading this article.

SUNSHINE COMMITTEE REPORT

by Dave Marymee and Bob Walter

Dave Marymee

FRED ANDERSON says his blood clot condition has cleared but he has to depend on using a catheter at times. Fred depends on a wheel chair but has lost strength in his arms and is unable to move out of his wheel chair. When he gets arm strength he plans to attend SIR luncheons. We hope you

continue to improve, Fred.

BOB BENYA had an operation in January that completely replaced his left shoulder joint. Bob expects to be able to free his arm from a sling at the end of February. Bob says the FDA approved his type of operation just within the past three years. Glad Bob is progressing, the "A's" will want him to join their bullpen for left handed pitchers.

ED BINGLE says he depends on using oxygen. He says when he can get around without using oxygen he hopes to attend SIR luncheons. Ed does attend cyber-geezer meetings when he can obtain a ride.

BILL BRISCOE's wife, Diana, is improving at home after her operation. Bill drove Diana to see her doctor before attending the February luncheon. Bill says Diana is doing ok.

JOHN CLARK recently was in the hospital for heart and blood vessel problems. After angioplasty, he came home and is improving. We hope that John's health improves.

RAY ERICKSON's wife, Dorothy, reports that she has had surgery for removing cancerous tissue in February. We hope all goes well for Dorothy.

OLIVER KNICK says he makes it day by day. Oliver goes to Kaiser for a shot each week. He says he is well known at Kaiser so he doesn't have to show his membership card.

RALPH KNIGHT's wife, Betty, is residing at Aegis in Fremont. Ralph says Betty is having some adjustment problems at Aegis as she wishes to come home. Ralph says he is doing ok.

ROBERT RALSTON says he is settled and getting use to a one bedroom apartment at a retirement facility at 33883 Alvarado-Niles Blvd., telephone 487-1044. Robert attended the February luncheon.

JAMES RODAMER says he has a rest period between treatments for a form of asbestos that attacks the lining of the lungs. We hope the best for James.

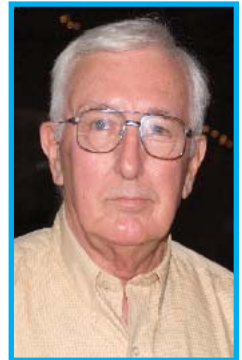

TOM SHERBA, Area Governor, reports his wife, Lillian continues to have severe back pain. Lillian obtains some relief when she elevates her legs. Tom says he is chief cook and dishwasher in order to help Lillian. We hope the best for them.

GORDON THATCHER's wife, Pat, is at home recovering from two Strokes. They receive "meals on wheels" and supplement with TV dinners. We hope for continued improvement.

ROBERT WANSER says he has suffered from a type of flu. Earlier he had heart bypass surgery. Robert hopes to improve in health and become active in SIR.

JACK WEBB missed the February luncheon because he did not wish to expose himself to a rainy downpour as he is wheelchair bound. We hope Jack can make it to the March luncheon.

WILLIAM WILSON was in the hospital three times in January. He spent twelve hours on life support. William's heart functions at about a 30% level and he is bothered with asthma. William says when he is well again he wishes to become active as he enjoys SIR luncheons. We hope your health improves, William.
