Big Sir Monthly Musings by Big Sir Richard Holley

Hello Everyone! Well, here is my last month that my column will get published as the Big Sir, it seems as though I just started.

What a wonderful decision I made when I said yes to become the Little Sir two years ago. As you know you move into the Big Sir office after being

the Little Sir. The early office prepared me for the responsibilities of the office.

I have been able to meet almost all of the members here at our meetings. If I haven't talked to you yet please come and say hi to me. The organization has some of the most interesting people I have the pleasure of meeting in my life. We have members of the USF 1951 team here with us. We have pro ball players, top school teachers, principals, etc. What a wealth of knowledge and Branch 59 has them all.

I will miss leading this august group and I must say it is a humbling experience to be amongst you all. So as I rejoin the ranks of the membership I say Thank You my fellow Sirs.

Richard

Our Speaker Michael Gimbel by Little Sir Don Gillis

Prior to his employment with the FBI, Special Agent Michael Gimbel worked for 8 years as a Criminal Enforcement Investigator for the State of Florida. He investigated most types of financial fraud, as well as any instance of fraud waste, or abuse of state funds.

Upon entering the FBI, he was assigned to an Organized Crime/Drug squad in San Jose, CA. Special Agent Gimbel's focus was on the cartels operating in Mexico.

After the events of September 11, 2001, he was re-assigned to an International Terrorism squad. His primary investigative duties involve all terrorism matters related to Usama bin Laden, Al-Qaeda, and other Sunni Extremist Groups. He oversees 8 FBI agents and 2 Joint Terrorism Task Force officers. He is also a teacher at the FBI Academy and conducts classes for local, county and state law enforcement agencies both around the U.S. and internationally.

Special Agent Gimbel wears a variety of "hats." He is also responsible for the San Jose International Airport, a member of the FBI's National Recruitment Team, the FBI representative to the PGA and the San Jose Sharks. He has been an FBI agent for 8 years. We cannot show a photograph of our speaker because it is considered a security risk by his division of the FBI.

The topic of his talk is "The FBI and Counterterrorism," basically how the FBI is dealing with and investigating terrorism.

SIR BRANCH 59 ACTIVITIES

Strikes and Spares by Jerry Sabo

Finally, Jerry Sabo gets a chance to set up his first SIR tournament at Cloverleaf Bowl and then goes off to Kauai so he can't be there. Thanks especially to **Gary Bennett**, **Frank Cordova** and **Nat Lord**, and the rest of the bowling group for being there and making sure that everything was a success. I have heard nothing but good from everyone that was at our

tournament on September 28 and 29.

Award (money) winners at our tournament were: **Ken Windholz** 2nd in doubles, 5th in singles, and 3rd in all events. **David Nazur** placed 2nd in singles. **Wayne Adams** took 3rd in singles. **Frank Cordova** placed 1st in Division 2 singles with a scratch 637 series **Howard Elz** teamed with Ken for his doubles prize. Many of our bowlers were just out of the money with **Art Winkley**, and **Ray Erickson** and 6th and 7th respectively in singles Division 1. **Chuck Pereira** (Branch 6) placed 8th in both singles and all events for Division 2 and Gary Bennett placed 8th in Division 1 singles. All together we took 7 of the 33 prize awards.

Nat Lord, **Darrell Jewell**, **Roger Wallin** and **Don Henry** went to the tournament in Sacramento where Roger took second for singles. On October 21st at Brentwood, Frank Cordova did well in both singles and doubles – 158/245/215 followed by 173/152/215. A lot of great games were bowled, but for some reason or other there were also bad games. Gary Bennett had games of 196 and 217, Nat Lord had a 195 then a 198 and 208, Chuck Pereira rolled a 203, Jerry Sabo a 215 and Don Henry had a 202. Most of us don't want to talk about the other games, but John Pesek had some good scores. We next journey to Modesto in two weeks.

Our final two tournaments of the year: Concord Nov. 18th or 20th and San Rafael Dec. 2nd or 4th.

I just did some quick stats which indicate that 15 of the 22 have improved their averages since the April USBC scores were published, 1 (Art Winkley) had no change and 7 of us have dropped. The net improvement has been 63 points or an average of nearly 3 points per bowler. Some of us just like stats – Oh well!

Once again, join us most any Monday at Mowry Lanes, located at 585 Mowry Ave (behind Comcast) and be ready to start practice bowling at 12:45 P.M. The cost is only \$5.00 for three lines of bowling and the only other commitment is that when you join you either already are, or will become a sanctioned bowler (cost \$20/year). Once you have a book average, or set your average with 21 games or more then you can join us in tournament play. Unlike other leagues, we bowl year round. I think we might not bowl on Christmas Day because the alleys are closed, but neither holidays nor rain nor shine keeps us away from our bowling.

Jerry Sabo

Golf Notes by Bill Leake

Welcome to the Branch 59 golf column.

Please welcome **Rudy Parisotto**, **Bill Kemp** and **Jim Proffitt** who joined SIR Branch 59 and also joined our golf group.

This will be the last column for 2008. Let us know what you want covered for the year 2009 in this column and our golf group. We would like very much to have new ideas.

Dues remain at \$31.00 for 2009. Please make checks out to SIR Branch 59. Mail the checks to Bill Leake, PO Box 434, Fremont, CA 94537. The deadline is mid-December, 2008. New Sirs – dues are the same – \$31.00.

Take a bow – Who lately has eagled hole #7? I know. Congratulations **Dave Tanner** – Driver, 9 iron and bingo – an eagle. Wait.. wait .. Who do I hear in Dave's footsteps? Yes, it is our own **Forrest Lusher**. Not again?! Yes, again. Congratulations **Forrest** for shooting your age – again! He shot a 90 on Cypress (Forrest is 91 years young). So, we have two winners this month. Congratulations **Dave** for eagling hole #7 and again **Forrest** for shooting your age – a 90 on Cypress. Help us out please – Do you know of anyone else out there who deserves to take a bow – Let me know.

Balance of year schedule = the state championship/open play at Poppy Hills in Monterey on November 3 and 4. We have two finalists for the state championship from Branch 59 – **Gary Bennett** and **Bill Leake**. Finally, November 10-20 will be a cruise to the Mexican Rivera. Three of the stops will be devoted to golf.

Post post post – don't forget to post your score.

Regular play for SIR Branch 59 – We play every Monday and Thursday at Sunol. Join us – to find out the tee time, please call Sunol at 925-862-0414. The reservation is made under LEAKE.

Thank you **Wayne Meyer** for calling in for ½ of November and all of December and **John Trischetti** who will call in for January and ½ of February. We have **Fred Ilg** who will call in for ½ of Feb and all of March. That leaves the rest of the year – April through December. **What months will you sign up for to call in tee times? Call me at 793-6561 and volunteer.**

Speaking of tee times – thank you thank you and again thank you to **Jerry Desmond** for calling in tee times for Mondays.

Since this is the last column for 2008, we will not have results of the Mexico trips plus Poppy Hills until the January column.

Thank you for reading this article.

SUNSHINE COMMITTEE REPORT

by Dave Marymee and Bob Walter and Carl Shaner

Dave Marymee

ROBERT BENYA, Branch 59 Director, had ongoing problems with pressure of vertebra on nerves, causing a great deal of pain on walking. Early in October, Bob was hospitalized and an operation was performed, taking pressure from the vertebra off of the nerve by placing a device that further separates the vertebrae. Bob came home the morning of October 19 and says he is feeling better. Get well Bob

we need you at the Board meetings and leading the SIR singers.

MANUEL BRAGA has recovered from falls at home that injure his left foot. Using a cane, Manual attended the October luncheon.

FRANK CAMPOS, SIR Song leader, and soloist, is in rehab in Manteca as reported by his wife, Louise. Frank will see his doctor, October 21 to see if he can lower his foot. Frank had a complete left hip replacement, including the hip socket. Frank hurry back as no one has volunteered to lead the singing at lunch time.

ARMANDO CASTIGLIONI: We were unable to contact Armando;

JOHN CLARK's wife, Leslie, reports that John is on renal dialysis, supervised by Kaiser. John goes for dialysis three times weekly. We hope John's health improves so that he can attend SIR luncheons.

ART LAMPERT has been in and out of the hospital because of poor health especially breathing problems and lack of pep. Art's latest hospital visit was Monday night, October 20. Art says he was carefully checked and given medication. It is not known whether Art has a biological infection. Keep trying Art; we need you back at the luncheons and on the Water Board.

HANK LEWIS is legally blind in both eyes. Hank has had cornea transplants in both eyes. His left eye will have stitches removed in November. Hank depends on others for his meals and for walking. Hank we hope you regain some eyesight.

PAUL LEWIS missed his October birthday luncheon because he had a doctor's appointment. Paul has had cataract surgery in one eye and needs the same in the other eye. Paul has trouble being fitted with glasses. We hope you get your eyesight problems resolved, Paul.

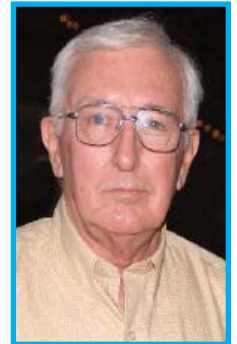

ROBERT McGRATH missed his October Birthday luncheon because of heart problems. The upper heart beat was disturbed by self-induced electrical impulses and a more modern defibrillator had to be implanted to control the lower heart beat. This was done at the Alta-Bates hospital in Oakland. We hope your problems have been resolved, Robert.

HENRY SCHERER, Jr. missed the October luncheon because his wife, Joan, had chest pains and Henry drove Joan from home in Pleasanton to Kaiser Emergency in Fremont. After five hours of tests, Joan's problems were not resolved, leaving treatment up to Joan's regular Kaiser Physician. We hope Joan's treatment clears her health problems.

WES SCHILLING attended the October luncheon. Wes is recovering from a spinal operation and is now allowed to drive. Welcome back Wes.

JACK WEBB Missed attending the October luncheon, as he was unable to reserve Fremont Para-Transit transportation for himself and his wheelchair. We missed you Jack and your Virgin Mary.

WILLIAM WILSON says he has recovered from shingles, but lacks pep. He says he has been checked by specialists and blood tests indicate major anemia. We hope your health improves, William.
