## Message From Your Big Sir by Big Sir Frank R. Thomas

Greetings to you all.

I would like to report that all indications are that a great time was had by all who attended the Sweetheart Luncheon. We received many very positive comments, especially from the women about how uplifting they felt when entering the facility which was a blaze with color from the balloons, the napkins and the floral arrangements on the tables. One member stated "the food was great! Another long time member shared that it was the best luncheon he had ever attended. Another member shared that the function was one of the best that he had attended in the last ten years. A member stated that "It was one of the better performances by the entertainment group we have had in the last few years." I personally have to say they really "rocked" the hall!

A very well deserved "job well done and heartfelt thanks" goes out to the Social Committee whose dedication to excellence was very evident from the start to the finish of the luncheon.

There is no doubt in my mind that the members, who did not attend, for whatever reason, missed out on a very good time. I, for one, can hardly wait to find out what the Social Committee has in store for the Christmas luncheon. If I might make a suggestion, I would recommend you making plans now to assure you are able to attend.

Please continue to make bringing new members into the branch a priority so "Keep the guests coming!!"

*Frank*

## Our Speaker Desiree Gant by Little Sir Hugh Twomey

Desiree Gant is a State Park Interpreter at Sea Cliff and New Brighton State Beaches, which are located in Santa Cruz. As an Interpreter she is in charge of explaining to the public many different aspects of the state beaches. She helps them to understand the importance of protecting and preserving our state parks, as well as about how vast and varied the state parks of California really are. By educating people about the plants, and animals, and surrounding areas, her goal is to have them want to visit other parks to learn more as well as to explore what California really has to offer.

The presentation that she will be showing will be on Marine Protected Areas, or MPA's. Marine Protected Areas are somewhat of a new thing to the public, and there has been a lot of misconceptions about what they truly are, and what their function really is. The best way to put it, is that the California now has developed virtually "State Parks of the Sea." MPA's are zones all along the coastline that serve as a protected habitat for the organisms that are in it. The zones never move, only the organisms do! Her goal for the presentation, is to provide a little more background information about Marine Protected Areas, while also explaining the importance of protecting and maintaining them. In a time when our oceans are overfished and constantly being devalued, we need to start speaking up for them and give them a break.

### New Business:

Sale of tickets for the Sweetheart luncheon has started.

The BEC agreed with Sir Ben Fernandez' request to appoint Sir Nat Lord as temporary Assistant Treasurer due to the illness of Sir Bobby Ben Snodgrass until elections are held.

The SIR State President has sent a letter to all Big Sirs indicating that he wants a concerted effort on bringing in new members. He wants each Branch to establish a goal of a ten percent new member induction annually. This issue will be an item of regular discussion at all BEC meetings and at regular Branch Luncheon Meetings.

The meeting was adjourned at 10:45 AM. Submitted by: Secretary Sir Jim Ferez

## Photo Survey

Working together with Assistant Editor Fred Gotthardt we sent out a survey to the 152 Branch 59 Sirs who had email. The only question was which of three photos should we use in Fred's Cybergeezzer announcement. We got responses from 62 members. Ninety (90) members elected not to respond. Twenty three (23) members voted for Photo 1, seventeen (17) members voted for Photo 2 and twenty one (21) members voted for Photo 3. One member suggested that we rotate the pictures each issue. We can only wonder why the 90 members did not respond. Did they not get the email or did they just ignore it.

# SIR BRANCH 59 ACTIVITIES

## Strikes and Spares by Jerry Sabo

No regular tournament results to report, because no one went to Carson City or Pollock Pines. (At least not to my knowledge—Darrell Jewell and Nat Lord usually attend??)

We did send two teams to the State SIR Tournament at Citrus Heights (Sacramento). I think that we did well, but official results are not in yet. The four man teams were: a) Darrell Jewell, Nat

Lord, John Pesek, Don Henry and b) Les Prestwood, Jesse Medeiros (Br.6), Chuck Pereira (Br.6), Roger Wallin. Both teams had totals in the 2800's including handicap. When a series is above 690 (2760 total) for this tournament then that means that the bowler has bowled over expected average. In the doubles pairings, the team of Chuck Pereira and Roger Wallin bowled a 1459 (1380 expected). For some reason or other the scores of Don Henry and John Pesek were misplaced. Sorry, but I think that both bowlers did well!

The group that attended the National Bowling Tournament in Reno this year returned with some success—at least they bowled better than they did in Las Vegas last year. This is not a SIR event, but we represented Fremont and Hayward at the national level. The tournament continues thru July with about 22,000 bowlers in two divisions. We bowled in the "Classified Division" and not the Open (elite) Division. The team included Gary Bennett, Lew Heffron, Chuck Pereira, Jerry Sabo, and Roger Wallin. We fell apart in the last game as a team, but some of the doubles and singles did well. Gary bowled the only game over 200, but generally everyone bowled right at their averages. Gary and Lew bowled well above their averages in the singles, and Chuck and Lew teamed up well at doubles. Upcoming tournaments include:

Paradise—June 27th and June 28th.

Yuba City—July 12th and July 13th.

Napa—July 26th and July 27th.

Remember, all SIR members are welcomed to join us most any at Mowry Lanes, located at 585 Mowry Ave (behind Comcast) and be ready to start practice bowling at 12:45 P.M. The cost is only \$5.25 for three lines of bowling and the only other commitment is that when you join you either already are, or will become a sanctioned bowler (cost \$20/year). Once you have a book average, or have established an average with 21 games or more then you can join us in tournament play. Unlike other leagues, we bowl year round. I think we might not bowl on Christmas Day because the alleys are closed, but we will be bowling on the Monday after Christmas. Neither holidays nor rain nor shine keeps us away from our bowling.

*Jerry*

## Golf Notes by Bill Leake

Welcome to the Branch 59 golf column.

We had a very good time at last month's sweetheart luncheon. We were very generous to the Tanner household and donated a couple of golf outings in the raffle. The music was good, the food was great, and I would suggest that you plan to attend the December get-together December 16. If you would like to be part

of the committee call Howard Thompson.

Take a bow – every golfer who attended the Sweetheart Luncheon – take a bow! Thanks for coming.

Now back to golf. We will be having the team competition on July 8. If you are not on a team as of this writing you are probably too late. It should be fun. We will have results in the August Pathfinder.

No new members last month.

We will be having the division 4 state qualifier on August 11. You should have been notified by now if you were invited. The top finishers of each of the 7 flights go to Poppy Hills.

Once again – How is the table reservation system working? Let us know. We reserve 6 tables. You arrive before 11:15, find the table, put your badge down and your place is reserved. We lift the cards at 11:15.

Did anyone go to Coeur D'Alene Idaho for the SIR tournament? At this writing we do not have results. We do have the annual Solvang Fall Classic – Sunday Sep 12 to Thursday Sep 16. Entry form is on the web. Note: Solvang will be 5 days, 4 nights, 3 days of golf this year – 2 days of 4 man best ball 2 days and scramble 1 day. We have a new tournament this year – Sunday November 7 – Thursday November 11, Mesquite (entry form on the web). If interested and you do not have computer access let me know.

Tee times – Thank you Bill Watts for calling in Thursday tee times. This is for the WHOLE year. And thank you Jerry Desmond for calling in tee times for Mondays.

Post – post your score.

Please – we need more members for SIRs and also SIR golf.

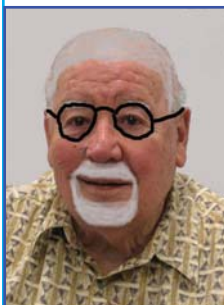

Regular play for SIR Branch 59 – We play every Monday and Thursday at Sunol. Join us -- to find out the tee time, please call Sunol at 925-862-0414. The reservation is made under LEAKE.

Thank you for reading this article.
