**NEXT MEETING at Newark Pavilion - Thursday, July 15, 2010**

## Message From Your Big Sir by Big Sir Frank R. Thomas

Greetings to you all.

I would like to report that all indications are that the June meeting was a success with good food and a good speaker.

Now having said that, I announced that we had just found out that starting with the July meeting the Open bar will be closed. At the last meeting, I also announced that we would talk with the General Manager to better understand that decision and now have this to report: the bar indeed will be closed, we will not be able to sell drinks of any kind on premises but we will be able to bring our own refreshments (BYOB) for our own use. We will still continue to look into whether we have other options but starting with the July meeting, please plan on BYOB.

We, your executive committee, continue to work very hard to make this a successful branch and appreciate all your support.

Please continue to make bringing new members into the branch a priority. "Keep the guests coming!!"

*Frank*

## Our Speaker Brad Aagaard by Little Sir Hugh Twomey

Brad Aagaard is a Research Geophysicist at the U. S. Geological Survey in Menlo Park, CA. He received his BS degree in Engineering at Harvey Mudd College in 1994. A year later he received an MS degree in Civil Engineering at the California Institute of Technology. In 2000 he received his Ph.D. in Civil Engineering also at Caltech. For several years he was a USGS Mendenhall Postdoctoral Scholar before he joined the USGS as a Research Geophysicist in 2003.

Brad's research focuses on using 3-D simulations of earthquakes to better understand the physics of the rupture process and the resulting ground motions. Recent projects include simulation of the 1906 San Francisco and 1989 Loma Prieta earthquakes. Other projects include simulation of Hayward fault scenario earthquakes and rupture models and visualizations for the Great Southern California Shakeout.

He will be showing Branch 59 simulations of the Hayward fault scenario earthquakes. Brad is an excellent speaker and highly regarded and respected by his peers. Be prepared to ask him questions on earthquakes and how we can prepare for them.

# SIR BRANCH 59 ACTIVITIES

## Strikes and Spares by Jerry Sabo

We still have not received the results from the State SIR Tournament that was held in Sacramento, but are anticipating some good news. That Tournament was held in May at Citrus Heights Bowl.

**Don Henry** once again was very successful at the Pinole Tournament. Funny thing was that there was not only some doubt that Don would get a partner, but also, the Tournament

Director could not find Don's entry check. Guess Don showed them all by taking 1st place in Doubles with his last minute partner, 2nd place in Singles, and 2nd place All-Events: plus a nice award check for \$183.50. **Jerry Sabo** also did well taking 3rd in singles, and 8th place All-Events. **Nat Lord** placed 9th in All-Events, and **Gary Bennett** was 11th in Singles. All received prize money for their efforts. We are sending four bowlers to the Cambrian Tournament on each of the two days of their tournament—good luck. Upcoming tournaments include:

Yuba City—July 12th and July 13th.

Napa—July 26th and July 27th.

Sonora—August 2nd and 5th.

Reno—August 16th thru 18th.

Fremont—August 29th and 30th. (Cloverleaf Bowl)

Notice that our own tournament has been moved from the end of September to the end of August. We are once again holding the tournament on a Sunday to better accommodate the out-of-towners that are reluctant to face the Bay Area traffic on a weekday. Actually, our tournament and the Cambrian Bowl Tournament in Campbell are the only tournaments that are in the Bay area.

Jerry Sabo is the assistant State Bowling Secretary, and "assistant web-master" for the bowling segment of the SIR State bowling site. If you would like to learn more about the bowling segment of SIR take a look at the web site located at [www.sirinc.org/bowling/](http://www.sirinc.org/bowling/). You can see our Tournament schedule both now and last year, apply to participate in a SIR Tournament, see Tournament results, and so forth. If you haven't gone to the SIR web site then it may be worth the visit.

We welcome new bowlers **Richard Bowers** and **Ron Faria**. Richard is from Branch 6, and Ron is giving it a shot after attending the last SIR luncheon as a guest. Remember, all SIR members are welcomed to join us most any at Mowry Lanes, located at 585 Mowry Ave (behind Comcast) and be ready to start practice bowling at 12:45 P.M. The cost is only \$5.25 for three lines of bowling and the only other commitment is that when you join you either already are, or will become a sanctioned bowler (cost \$20/year).

## Golf Notes by Bill Leake

**Welcome** to the Branch 59 golf column.

Do you want to stay abreast with SIR state activities – visit

[www.sirstategolf.com](http://www.sirstategolf.com) and it will

tell you more than you need to know. We completed two sessions of Reno since the last column. We don't have results but will have them next

month. What's up – We have upcoming events: On July 8 we had the team competition at Sunol Cypress. There were 14 teams entered and results will be posted next month. There are upcoming state events which are all on the Sir Golf site [www.sirstategolf.com](http://www.sirstategolf.com). SIR State team championship will be Monday August 9 at **Poppy Ridge**. Following this is the **Fall Classic South at Solvang** on Sep 12-16. We have openings and I handed out a flier at the last meeting. Next we have the state individual championship at **Poppy Hills** – October 27 open play and Oct 28 championship play. Finally, **Mesquite** November 7-11 (new item).

Tee times – Thank you **Bill Watts** for calling in Thursday tee times, and thank you **Jerry Desmond** for calling in tee times for Mondays.

Take a Bow – Take a bow **Bill Dark** who is organizing a golf mini-clinic (one time to see how it goes). It will be at Country Driving Range (across the street from Sunol) on July 20 at 10:00 a.m. **Bob Morales** and **Wayne Meyer** (two of our lower handicappers) will offer their services to see if they can help your game improve. As for mine – it can't get much worse. If it works great! If it does not – we tried. Following the clinic we can meet at Sunol for lunch and discuss how it went. Thank you in advance to Bill, Bob and Wayne.

**Post post post** – don't forget to post your score.

Regular play for SIR Branch 59 – We play every Monday and Thursday (2 times – early and 9ish) at Sunol. Join us – to find out the tee time, please call Sunol at 925-862-0414. The reservation is made under LEAKE.

## A Message from the Social Committee

### Thank You Sponsors

Greetings Fellow Branch 59 Members. We just completed a very successful Spring Luncheon in which our invited guests attended. It was a big success. One of the items on the agenda was the raffling of the prizes which were all donated by local companies.

How about taking a moment to thank these sponsors the next time you shop, eat, swing a club, or whatever you may be doing.

Yes, take the time to thank these generous sponsors for their donations. If you are at **Safeway** then thank the manager for their donation. If you are car shopping **Maganussen Lexus** of Fremont then express to them your thanks. Same for you golfers, whether you are –playing **Sunol, Monarch Bay** or **Spring Valley** – give them a thank you from SIR.

And the remaining sponsors – **Bruce's Tires, Spin A Yarn, Fremont Flowers, Super Station Car Wash, and Bailey Farms** – take the time and tell them Thank you. If you do that, then we can go back to them and see if they can be generous again next December.

Thank you in advance for thanking these sponsors.
