NEXT MEETING at Newark Pavilion - Thursday, August 15, 2013

"Stuff" from Skip by Big Sir Skip Mugford

Well, here it is AUGUST already!!! This year just seems to be flying by.

Sir Walter Schick, from State SIR, gave a presentation concerning membership retention to the BEC prior to our scheduled luncheon meeting. Perfect timing in that we had 13, count 'em, "13" prospective members in attendance that day! We are very hopeful that ALL will join our ranks at the August luncheon meeting. Kudos to Sirs Ron Brutvan, Fred Gotthardt,

Arnold George and several volunteers in processing all of the paperwork required. They truly did yeoman's work—so much, in fact, that the meeting had to be delayed until it was completed. I was about to coerce Sir Dave Tanner to sing as a diversion when Sir Ron rushed the paperwork through. To the best of my memory this was the largest number of prospective members at any one meeting. Congrats to all involved for their efforts in growing our membership. By the time this is published we hope to have SIR Branch 59 advertising in each of the Tri-Cities Senior Centers. It would be great if even half the tables at our luncheon would sponsor a new guest/prospective member. As President Kennedy once said: "A rising tide floats all boats!" A larger general membership would simply make our minimal financial problems just go away!

More than several members have asked that we consider moving from the Newark Pavilion back to the Fremont Elks Lodge. As such most of the officers of the BEC and their wives were sponsored to dinner there by Mr. and Mrs. Sir Bill Briscoe on Friday July 26th. A report on same will be made at the full BEC meeting with follow-up at the General Meeting. I met with Luis Freitas, Gen Mgr. of the Newark Pavilion, about our concerns (cost/meals/lousy bar service, UNCOMFORTABLE chairs/etc) on Tuesday July 30th and have not yet received a response back from him. More to follow when I get it.

REMEMBER, new membership is what keeps SIR Branch 59 alive and flourishing. Invite a friend, neighbor, old co-worker etc to have lunch with us and to then consider joining our fine group!

Can you find Rollie?

Speaker Mary Jane Hodges by Little Sir Rob Ingebretson

One of Acacia Creek's earliest employees and Special Projects Manager Mary Jane Hodges acts as Acacia Creek's liaison with the surrounding community. Hodges, who holds a B.S. in sociology from San Jose State University and gerontology certification from San Diego State University, has more than 25 years of experience working with seniors. In her current role, she develops a variety of partnerships with local senior organizations, civic and educational organizations, hospitals, and local businesses, enabling Acacia Creek to provide a variety of stimulating opportunities to residents. Prior to joining Acacia Creek, Hodges served as a coordinator for Masonic Outreach Services.

She has been with Acacia Creek since 2006. At that time Acacia Creek started its marketing effort to the Masonic community. She has been involved with many activities that take place in opening a new retirement community. From sales and marketing to working with the project managers in the final design of the building. In January 2010, Acacia Creek opened their community to the general public.

Acacia Creek is an exceptional senior living community. It is the only "CCRC" (Continuing Care Retirement Community) in the tri-city area. The concept of a "CCRC" is that you have all levels of senior care in one location. Their residents move in independent and triage through the levels of care, independent, assisted living, memory care and skilled nursing.

MEETING MINUTES

A motion was made, seconded, and passed to accept the May 2013 Minutes as published in the Pathfinder.

OFFICERS REPORTS

Secretary's Report: Sir Jim Ferez reported that the Sir Manual had been updated and the latest edition is dated June 4, 2014. The Manual updates can be found on the Sir Inc Web Site.

Treasurer's Report: Sir Hugh Twomey reported a Cash Balance of \$5745.10. The Balance is broken out with \$5345.10 in checking and \$400 in Petty Cash.

Little Sir's Report: Sir Rob Ingebretson reported that our speaker will be Treasurer Sir Hugh Twomey who will present an overview of our Financial Situation and the costs associated with Branch 59.

COMMITTEE REPORTS

Attendance: Sir Ed Guthrie projects attendance at today's luncheon at 125.

Membership: Sir Ron Brutvan reported that we have one new member proposed for today's meeting. He is Sir Julian Vega (47) sponsored by Big Sir Skip Mugford. A motion was made, seconded, and passed to accept the new member.

Birthdays: Sir Art Winkley indicated we are celebrating Birthdays for June and July. We celebrate 14 June Birthdays ranging from 62 to 96 and 15 July Birthdays ranging from 70 to 90. The Officers and Directors of Branch 59 extend our best wishes to these gentlemen.

Golf: Sir Bill Leake reported that the Reno Tournament was completed and the results will be in the Golf Column in the Pathfinder. We also had our first lady compete as a SIR NCGA member and congratulations to Junco Trischetti who was a money winner. Our next tournament

will be Thursday August 22 at Lone Tree. There are plenty of openings. The winners get a free ride at Monterey on October 21.

Bowling: Sir Jerry Sabo reports that their will be a tournament on September 8-9. Two and a half teams will be going to Reno in August.

Cybergeezers: Sir Jerry Sabo reports that this group meets on the Tuesday following our regular Thursday Branch meeting. The Meeting place is the Niles Discovery Church at 1:30 PM. Wives and Significant others are encouraged to attend the Cybergeezer meetings.

UNFINISHED BUSINESS

A motion was made, seconded, and passed to continue our advertisement in the Tri City Voice for the balance of the year. The ad has been yielding us on average one new member per month so it seems to be worth the cost of \$504 per year. The Board agreed to evaluate in January 2014 to determine if it should be continued in the New Year.

NEW BUSINESS

Sir Robert Aiello, Area 8 Governor, will present at this meeting the Sir Senior Award to Sir Gordon Thym on the occasion of his ninetieth birthday. The officers, directors, and members of Branch 59 offer our sincere congratulations on this achievement.

The June event committee was very disappointed that the Caterer made a substitution of Tilapia for the Salmon dish. This was done without the approval of the Chairman and we do apologize for the inconvenience to our guests who ordered Salmon. A Letter is being sent to the Caterer citing our disapproval and warning that this is unacceptable.

Survivability Presentation: Sir Walter Schick of the Growth and Membership Committee presented some tools to measure the health of the Branch and the importance of these measurements to aid in the survival of the Branch.

Some of the key points are:

1. We need to set a membership goal high enough to overcome losses
2. Branches need to work on adding younger members
3. 70% attendance at luncheons is critical (We average 67%)
4. Branch activities need to be stressed
5. Branch members need to make a commitment to grow the Branch
6. We need a Volunteer to become the Growth Coordinator for the Branch

The meeting was adjourned at 10:50AM

SIR BRANCH 59 ACTIVITIES

Strikes and Spares by Jerry Sabo

One of the things that I failed to mention in the last Pathfinder was how **John Pesek** seems to have the fortitude (skill, whatever) to roll one really big game during eight of the last ten times that he has bowled on Monday. In fact, two of the games were 235, and 243, and not many of us have rolled games that high. **Frank Cordova** did roll a 289 recently, **Don Henry** had a 243, **Jim Floor—253**, and **Roger Wallin** had a 244 before his surgery. I just wish that John would bowl that well when he and I are partners in doubles. He is going to bowl with Don next week and with Nat in Reno on August 19th. Hope there is good news to report regarding those tournaments.

Nat Lord 234/581 and Don Henry 213,210,205/628, rolled recent high game(s) /series.

Our Fremont tournament is coming up soon. The tournament is listed below, and we hope that some of you will stop by to wish us luck or just visit. Starting time for singles will be 10:30 A.M. on both days, and doubles will begin at about 1:00 P.M.

Not much to report from past tournaments. Don Henry and Jerry Sabo did place at the Sunnyvale Tournament in June, and Jerry placed third in singles for his division, but the official results have not been posted yet.

Nat Lord, Frank Cordova, and Jerry will attend the State Bowling Committee meeting in August and should have some information for our next board meeting.

Upcoming tournament:

Fremont	Sep 8, 9	Sun, Mon	Cloverleaf Bowl
Lake Tahoe	Sep 20, 21	Fri, Sat	Tahoe Bowl

There is always room for more bowlers in our group. Usually fifteen to twenty bowlers show up on Monday to bowl. We do not bowl on teams when we bowl so if you miss occasionally we will miss you; but you are not letting down teammates nor charged any fees. We welcome **Miguel Ferras** to our Monday SIR group.

We meet at Cloverleaf Family Bowl. Just show up and be ready to start practice bowling on Monday at 12:45 P.M. Cost is \$13.00 to bowl. We normally are finished before 3:00 P.M.

Golf Notes by Bill Leake

Welcome to the Branch 59 golf column.

Please welcome **Dennis Reed** who is new to SIR and is also a golfer. Dennis attended his first meeting in July and Dennis brought a guest at the last meeting. That is the way it is done.

Take a bow – Let's recognize a couple of Branch 59 golfers – we have 2 scores to report – **Richard Holley** shot an 88 (again). $88-23.6 = 64.4$. Wait – got another score – **Wayne Meyer** shot a 76, and with Wayne's handicap of 14.2 nets Wayne a 61.8. Wow! Pretty good. Any other scores out there? Both scores were recorded at Sunol Cypress.

At last month's meeting we had several guests and potential golfers. Let's hope they choose the right thing and join Branch 59. We will keep you posted.

The schedule for the rest of the year is getting shorter and shorter – The division 4 qualifier will be at **Lone Tree Golf Course in Antioch** on August 22. If you have not signed up yet and you are reading this then it is too late. Following Lone Tree we have **Solvang** – September 15-19. Solvang (along with the Spring Fling) is a 4-man team, 2 man best ball tournament.

The final tournament is **Laguna Seca** – the top 2 from each of the 7 flights at Lone Tree get a free ride. The tournament is a 2 day event – October 21 for championship play and October 22 for open play. The top 2 division 4 qualifiers from each flight get a free ride to the tournament—day 1. There is room for both dates so get the form off the web or let me know. What is the web address – Glad you asked – it is www.sirstategolf.com. You must have a SIR NCGA handicap in order to participate.

On a sad note, please remember our fellow golfer **Boyd McCaslin** who passed away last month.

Regular play for SIR Branch 59 – We play every Monday (3 tee times) and occasionally on Thursday (1 tee time) at Sunol. Join us – to find out the tee time, please call **Sunol at 925-862-0414**. The reservation is made under **LEAKE**.

Post – post your score.

Please – we need more members for SIR and also SIR golf.

Thank you for reading this article.

CYBERGEEZER MEETING

Cybergeezers—we usually meet on the first Tuesday following our monthly SIR Luncheon. Next meeting had to be rescheduled for

Tuesday August 27, 2013 - 1:30 to 3:30 PM.

Location

Niles Discovery Church, 36600 Niles Blvd., Fremont, CA.

Just show up and you will be a member of our group.

At our last meeting, we discussed converting VHS tapes to DVD and transferring video files to a PC or Mac. We also demonstrated a few HD Video capturing devices like the Flip, a Samsung device, and a Nikon. Next, the process of transferring those files to a PC or Mac, and then using software to create a movie was demonstrated.

At our August meeting, we will review what we did during our July meeting and spend more time with tablet devices such as the iPad. If anyone has a Droid or Surface tablet that they are willing to bring to our next meeting, let me know and possibly we can demonstrate those devices. I would need to get an interface cable to transfer the signal from your tablet to our projector.

What is a Cybergeezer? We are members of SIR Branch 59 and friends that want to keep up with technology. Topics are varied and usually generated by attendees.

If you have any technology topic that you would like included in our next session, please send the information to Jerry jlsabo@sbcglobal.net. During our next session, we will revisit some of the topics previously discussed—especially tablet devices such as the iPad.

SIR members and friends/significant others are welcome, and we do have wireless access so bring your laptop, smart phone or tablet. We are able to use the Niles Church thanks to Carl Nordling.

Call Jerry Sabo – **510-790-3135** if you have other questions.

BRIDGE GROUPS

The Bridge activity includes 2 night time couple's groups and a daytime group following the monthly luncheons. The diners are encouraged to join the latter card sharks in order to overwhelm the noise of tables and chairs being moved by Pavilion's staff.
