Our B.E.C. Zoom meetings on the 3rd Wed. of each month are well attended and going strong. Jerry Sabo is our Zoom meeting host and we do encourage our members in joining us.

I do suggest you go to https://youtu.be/NwiNkVrDNms and watch this Introduction to Zoom video from our state president until we can get back to normal Zoom is SIRS life line for growth and stability.

For now stay safe happy and healthy......and for sure....look out your window and SMILE....DON'T let the OLD MAN IN.

Meets at Fremont Elks
38991 Farwell Drive,
Fremont CA on the 3rd
Wednesday of each
month
9:30 AM
Executive Board Meeting
11AM Social Hour
12 Noon Lunch

Our meeting was held on the ZOOM platform, hosted by Jerry Sabo.

The meeting was called to order by Little Sir Larry Jett at 10:40am. All BEC members were present except Rick Henry and Arnold George. Committee chairs also present were Harvey McAninch, Ed Guthrie and Jerry Sabo, Carl Nordling and Jim Vermazen. Our Area Governor, John

Haffner also joined us.

The May 20, 2020 meeting minutes were approved as presented.

The treasurers report was approved as presented. The balance of the general fund on June 17 was \$3,931.90.

Following welcoming remarks by Larry Jett, John Haffner spoke to the group. He extended thanks to Jerry Sabo who has offered to be ZOOM trainer for area 15 Sir branches. With the average age of 79, he feels many Sir members will not be comfortable returning to a lunch meeting until a vaccine is available. Recently John met with the the smallest branch, 35 members. They met in a Richmond restaurant. Most branches are too large to meet and maintain social distancing requirements. He questioned whether we might be comfortable meeting in smaller groups for luncheons. John suggested we keep members engaged by holding Zoom meetings for all our activities we would otherwise be involved in. Hugh questioned whether training is scheduled for new BEC officers. Important for us with both Treasurer and Assistant Treasurer being new to their positions in January. Although not scheduled yet, John said there will be training offered, possibly with Zoom and possibly in small groups. He is thinking September.

Larry said luncheon speakers are stacking up like cord wood. Many are anxious and able to give their presentations over computer medium.

Rob Ingebretson, Membership; Our membership stands at 160. Four members will turn 90 this year. Rob offered to order plaques and buy appropriate frames. The thought is to drive to each members house to present these honorary mementos. It was suggested we organize many members, in individual cars, rendezvous at the recipients house and collectively acknowledge their birthday. What fun!

Jerry Sabo, Pathfinder; Needs input, photos and data from BEC and membership to include in our newsletter each month. Sammy sends member birthday data each month.

Comments from Big Sir Rick, through Larry Jett; Reminds us the importance of having Assistant Directors. Suggests Directors solicit a member/friend to become involved with BEC operations by being an assistant to them.

Continued Next Page

Activities; Big Sir is looking for a new Activities chairman. Larry Lardie is playing golf with several members each week, but not as an official Sir's event. Bowling, Harvey is working with others to re-schedule a bowling tournament, possibly in August.

Final thoughts; Let us invite all membership to our July 16 BEC Zoom meeting. Following the BEC portion of the meeting we will set up break-out rooms. The system would randomly make groups of, maybe 8 members.

We adjourned the meeting at 11:50am.

11 Ways To Live Longer & Healthier Starting Today

It's Never Too Late To Start Snatching Back Some Good Years. The Best Time Is To Start From Childhood. The Second-Best Time Is Today.

EAT LESS — Twist: Just enough less to maintain healthy weight."Eat breakfast like a King, lunch like a prince, and dinner like a pauper".

GO AHEAD WITH A DRINK OR TWO A DAY—
Twist: But don't assume there's magic in alcohol.

KEEP THE FAITH—Twist: God works in mysterious ways for your well-being.

CULTIVATE CLOSE RELATIONSHIPS—Twist: It helps if they're healthy friends.

AVOID LONELINESS—Twist: Be aware you can suffer toxic loneliness even while with others. GET SOCIAL TIME—Twist: When it's safe, in person is better like our Sons In Retirement luncheons which we will enjoy again someday. BE OF GOOD CHEER—Twist: If you're not born this way, you might be able to develop it. STIMULATE YOUR BRAIN—Twist: You need to keep leveling up. You can start with crossword puzzles but then you have to move on to Sudoku or other puzzles.

EXERCISE 45 MINUTES A DAY—Twist: Gym-rat marathoning not necessary. It can be two or three shorter sets that add up to 45 minutes.

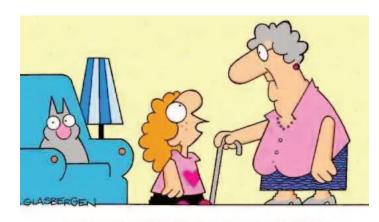

HAVE A PURPOSE—Twist: Unlike a job, purpose doesn't end. If you have a sense of purpose and are engaged with the world, there's a psychosomatic effect. Your body rises to it.

EAT A MOSTLY PLANT BASED DIET-

Twist: "Anti-aging" vitamin cocktails don't help. What gets you to 90 and beyond; basics. Focus on Protein, healthy fats and complex carbs. The five dietary pillars in the Blue Zones:

Whole grains, greens, tubers, nuts and beans. One cup of beans a day adds three to four years of life expectancy.

There might be more that we could add to the list, but this is a good start.

"My teacher says little girls can grow up to be anything they choose! Why did you choose to be an old lady?"

DID YOU KNOW?

The quieter you become the more you can hear.

Having just passed through the 80 gate

LIFE BEGINS AT 80 (author unknown, but I did think of it!)

1 have good news for you. The first 80 years are the hardest. The second 80 are a succession of birthday parties. Once you reach 80, everybody wants to carry your baggage and help you up the steps. If you forget your name or somebody else's name, or an appointment, or your own telephone number, or promise to be three places at the same time, or can't remember how many grandchildren you have, you need only explain that you are 80.

Being 80 is a lot better than being 70. At 70 people are mad at you 'for everything. At 80 you have the perfect excuse no matter what you do. If you act foolishly, it's your second childhood. Everybody is looking for symptoms of softening of the brain.

Being 70 is no fun at all. At that age they expect you to retire to a house in Florida and complain about your arthritis (they used to call it lumbago) and you ask everybody to stop mumbling because you can't understand them. (Actually, your hearing is 50% gone,)

If you survive until you are 80, everybody is surprised that you are still alive. They treat you with respect just for having lived so long. Actually, they seem surprised that you can walk and talk sensibly. So please, folks, try to make it to 80. It's the best time of life. People forgive you for

Are You SIRious? by Larry Jett

Peering into the SIR Spyscope today shows the cheerful face of Director Andy Lang coming into focus. The year WWII ended was the beginning of his life which commenced in Cincinnati, OH. Educated at Woodard High School, Cincinnati, founded in 1831, which makes it one of the first public high schools in the U.S. While a teenager, Andy played trumpet in the high school band as well as attending many Cincinnati Red's games at old Crosley Field with his Dad..

Other teachers spoke to Andy from the University of Cincinnati and Golden Gate University preparing him for a career in tax accountancy. He was winner of the Prentice-Hall Award for top grade in tax research. Beyond formal education, life's education involved meeting and marrying Mary (although she may have been concerned when his car broke down on their first date) but ultimately produced sons Brandon and Martin, who in turn produced grandsons Jack, and Henry......all Lang's and all are charter members of the LANG GANG. Other residencies included, Chicago, Houston, St. Louis and Fremont.

Middle-America instilled in Andy a sense of responsibility and to 'be there' for his family and to have compassion for those less fortunate. Six years in the Army Reserves were part of this process. Andy, a newly inducted member of Fremont Elks, and Mary have been active with The Candle-Lighters, using the Annual Ghost House to raise local charity monies.

Retirement brought time to include in golf, card games including SIRs poker, weekend getaways (your reporter saw the Langs and friends at several wineries recently on Facebook—(you can run, but you can't hide). Also reading, sports on tv, and fantasy football fill the day. No activity is more grand than grand parenting and the shared events keep them a tight tribe. Sir Lang has traveled to Africa on business visiting natives (with tax problems?) and took a 38 day road trip with Mary. Hoping 2020 will settle down so further travel and cruising may be re-sparked. A FFR is a given, (Fun Friday Routine) whereby a group of friends take a walk around Lake Elizabeth, then coffee and chat at Panera's followed by a group dinner at Zorba's. Casual Cool? thy name is Andrew.
