Branch 59 Fremont

Forty-Ninth Year

April 2024

Bulletin No.4

## WHAT'S HAPPENING?

By Big Sir Rob Ingebretson

Here we are already in April and spring is upon us. It is baseball season, the best time of the year. I hope you got your taxes done, if not you only have a few days left. With spring here we can start to see more sunshine and with it a lot of weeds. So it is time to get out in the yard, with tools in hand and get some exercise.

Spring is a great time of year, a feel good season. A good time to be thankful we are alive. It is a great time for fellowship and that brings me to a reminder to get your tickets for our upcoming Ladies Luncheon in May called "HAWAIIAN DELIGHT." The social committee is working hard selling tickets and making table assignments. In this newsletter there is a whole page devoted to all the information you need to know for this wonderful event. This is the last month to buy tickets and it is usually a sell out so don't miss out.

As of this writing there are still roughly 20 members that have not paid their dues for 2024. Shortly those members will get a call to see how they are doing. Our membership is on the rise and I hope you will continue to bring in your friends to further expand our membership.

Activities are very important in maintaining interest in our organization. We should add any activities that the members and their significant others are interested in. If you have suggestions please mention them to our Activities Chairman Fred Serena.

One final concern is how we will handle our 2024 Roster of Members. We will be discussing the topic at our monthly business meeting. I will share the findings with our membership at our April 17<sup>th</sup> meeting.

## APRIL GUEST SPEAKER

Meets at Fremont Elks  
38991 Farwell Drive,  
Fremont CA on the 3rd  
Wednesday of each  
month

10:00 AM

Executive Board Meeting  
11AM Social Hour  
12 Noon Lunch

The meeting was called to order by Big Sir Rob Ingebretson at 10:00am. All BEC members were present except Nat Lord.

The February 21 meeting minutes were approved as presented.

Treasurer, Larry Lardie reported the balance of our account was \$10,559.32 on March 20. Our 2nd quarter assessment is due soon, which is based on our membership number. We will update form 27, branch membership, before submitting this next assessment.

SIR State held a SIR Leadership Workshop on March 15. One discussion point was regarding the "Forms" Branches are required to submit regarding finances and membership. Some Forms have been changed, others consolidated and some have moved On-Line in an effort to simplify our reporting process to SIR State.

It was requested that we approve the list of activities we offer and actively participate in. The current list includes: Bocce Ball, Bowling, Bridge, Couples Dining Out, Couples Wine Tasting, Cyber Geezers, Fly Fishing, Genealogy, Golf, Pinochle, Poker and Wednesday Walkers. The BEC approved this list of activities.

Many BEC members met at the Black Bear Diner on March 6. This first Wednesday of each month meeting offers an opportunity for the BEC to discuss ideas and branch issues we often don't have time to consider during our one hour meetings prior to our luncheons. Topics included the Sweetheart Luncheon on May 15 and purchasing SIR merchandise for members as an advertisement opportunity. The next BEC Business meeting will be held at Suju's Coffee on Thornton Ave on April 3. All members are welcome to join in the conversation.

Membership; Two new members will be joining us today, Frank Scrivani and Steven Culp. Also, Ed Blank will be reinstating his membership. Their membership was approved by the BEC. We are expecting 3 first time guests to join us today.

Attendance; Ken Brunskill reported 85 members and guests are expected for our luncheon today.

Greeter; Rob Perrill has offered to greet guests and presenters by the front door. We feel current members do not need to be greeted, but it's important to greet guests who arrive without their sponsor and guest speakers and helping them connect with appropriate people.

2024 Membership Roster; A new roster was emailed to all members with an email address. This list of all current members includes color photos and contact information. If you would like a hard-copy of this roster please contact Sammy Lum or Jerry Sabo. Thanks you both for your work organizing this directory and distributing to everyone.

Activities; Fred Serena has assumed the role of Activities Chairman and has created a template he will give to each activity leader. The information he collects will be used to help advertise the many activities Branch 59 offers our members.

The meeting was adjourned at 10:57am

Dave Nelsen, Secretary

## Sir Sammy Lum Birthday Chairman

You may have noticed that our birthday procedure has changed. If it is your birthday month you are to pick up a lei in the box located next to the gentleman that gives you your badge when you enter. You are to wear it during the luncheon and you may sit anywhere you want as there will no longer be a birthday table. Some time during the luncheon you will be given the opportunity to say your name and how old you are. After all the birthdays have been announced there will be a drawing for a bottle of wine given to one of the birthday members present. We ask that when you leave the luncheon that you please return your lei to the same box where you picked it up.

## POKER

The "Dealer's Lunch Bunch" meets for Poker every month on the Monday immediately following our monthly luncheon. We currently have about 10 members who routinely attend games. We have a seven-seat table, so space is limited to the first seven

players who reserve. But don't let that stop you from joining our group! We have had up to 10 players (lots of common card games) since the group started, and IF we consistently get more than 10 reservations, we will open a second table.

The buy-in is \$10, with dime-quarter-half dollar chips, so it is within everyone's means. If you have a desire to play, please contact Sir Larry Jett ([larrywjett@gmail.com](mailto:larrywjett@gmail.com)), or Sir Bob Marshall ([hdog48@gmail.com](mailto:hdog48@gmail.com)).

## BOCCE BALL

We have free use of the new court at the beautiful Warm Springs Age Well Center on Fridays. Meet up is every Friday at 10:00 a.m. at 47111 Mission Falls Ct. (near Warm Springs Blvd. and Warren Ave). This will be a co-ed activity; everyone is welcome. Bocce Ball is easy to learn and very fun to play. For more

information contact Howard Elz at [ELZH663@GMAIL.COM](mailto:ELZH663@GMAIL.COM)

## GOLF

Golf is in full swing with regular play at Spring Valley in Milpitas every Tuesday around 9:00 am. We usually get three tee times on a first-come-first-served basis. Pairings are changed regularly to ensure everyone plays with everybody. Open to all abilities!

We will soon also open up Thursday for those interested, probably at Redwood Canyon in Castro Valley.

## Trains on the Moon? Northrop Grumman Is Studying How to Build a Lunar Railroad

Northrop Grumman is looking into transit for a future lunar colony as part of a DARPA project focused on how the US and international partners can colonize the Moon.

By Michael Kan March 21, 2024

Northrop Grumman is looking into transit for a future lunar colony as part of a DARPA project focused on how the US and international partners can colonize the Moon.

A US government agency has selected aerospace provider Northrop Grumman to develop a concept for building a railroad network on the Moon.

The project is part of lunar infrastructure study from DARPA, the research and development agency under the Department of Defense. Last year, it launched the study to focus on how the US and international partners could essentially colonize the Moon.

DARPA wants to do so through a "series of shareable, scalable systems that interoperate," making it easier to build out the lunar infrastructure for purposes including mining, energy, and agriculture. One primary goal is to "catalyze widespread activity on and around the Moon over the next ten years (2025-2035), as well as out to 2050," the agency said.

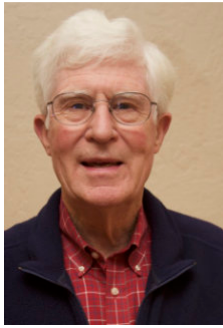

The timeline aligns with NASA's Artemis program, which is aiming to return humans to the Moon with a landing near the south pole in 2026.

Northrop Grumman now says it's been selected to focus on transit for the future lunar colony. "The envisioned lunar railroad network could transport

humans, supplies and resources for commercial ventures across the lunar surface—contributing to a space economy for the United States and international partners," the company said in the announcement.

Northrop Grumman, which helped develop the James Webb Space Telescope, didn't share much else. But the company says it's been tasked with figuring out what resources it'll need to build the lunar railroad network, along with determining the costs. Another aim is to identify prototypes and "explore concepts for constructing and operating the system with robotics."

"With our proven experience in the integration of complex systems and commercialized autonomous services, we will continue to create lasting change for a sustainable space ecosystem," added company VP Chris Adams.

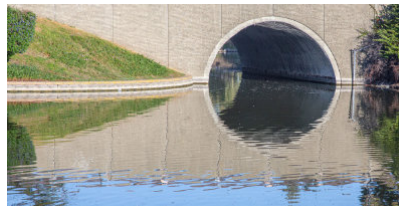

Weather Report 3/13/2024 - Cool and a bit hazy this morning, maybe even brisk, But oh, was it sunny. We loved it, all eight of us!

It was a long walk at Quarry Lakes, it ran a full hour; then some of us finished it off with a coffee stop at Suju's. That photo of Dave Nelsen? He had just discovered a woody resource for his woodworking/woodturning hobby/job. Needless to say Dave, Howard and I fell way behind the rest of the group as Dave surveyed his possible gold (Wood?) mine. We saw a jack rabbit, a number of birds and dogs with their walkers - no photos of the wild fauna - too fast for me.

~Bruce Roberts

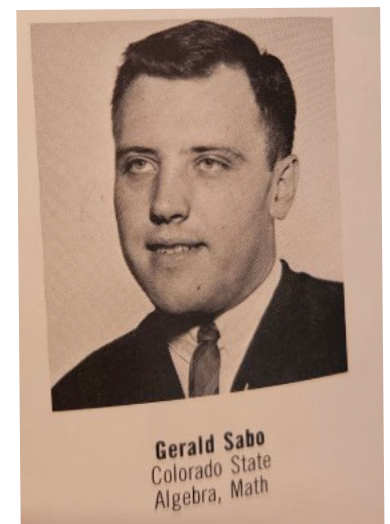

Four of us showed up at 8:30 AM at Lakeshore Park, but Howard missed us; he arrived in time for a 9 AM walk. Our friends the geese greeted us on land and in the water. We stayed on land doing the Goose Poop Polka. I liked the culvert under the road so I snapped a picture. ~ Bruce Roberts
