

WHAT'S HAPPENING?

By Big Sir Rob Ingebretson

What a wonderful Sweetheart Luncheon we had in May. It was fun to see our members and their partner dressed in Hawaiian garb. We all seemed to embrace the theme of "Hawaiian Delight". A special thanks to Sir Rick Henry and his wife Rose for procuring our entertainment of the Hawaiian Hula Ladies. They put on quite a show and were well received by the

audience. Thanks to Sir Jerry Ford and Sir Bill Bauhofer for selling tickets to the event. Dave Badilla as usual entertained us during our social hour and lunch. Check out the pictures in this Pathfinder to see the fun we had.

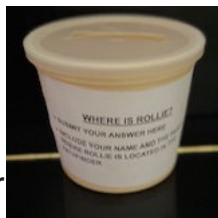

As we approach this last half of the year I hope we can continue to bring new members into the organization. The interest of some of our latest members to become more involved has been encouraging. As I think of the twenty years I have been involved in our organization I have met and become good friends with so many great guys. As the SIR license plate frame says, "Make Friends For Life" seems for me to hold true. Although I have lost some dear SIR friends through the years, I have gained many new ones.

Looks like we will have four new guests to be inducted at our June meeting as new members. Let us keep up the good work and let us all continue to work at making our branch 59 one of the brightest stars in all the branches that make up California.

I look forward to seeing you all at our next meeting Wednesday June 19th. Don't forget to respond to Sir Ken Brunskill's evite as to whether you are coming or not.

Can you find Rollie? 

You can win a bottle of wine if your name is selected. Submit your answer by placing your *name* and the *page number* where Rollie is located in the *Pathfinder* onto a slip of paper and into the Rollie "tub." The tub is located on the table where you line up for lunch or at the small table up front.

RSVP to the June 19th Luncheon by responding to the eVite or by notifying Ken Brunskill at 510-299-3186 or email steamtrout@comcast.net

Meets at Fremont Elks
38991 Farwell Drive,
Fremont CA on the 3rd
Wednesday of each
month
10:00 AM
Executive Board Meeting
11AM Social Hour
12 Noon Lunch

The meeting was called to order by Big Sir Rob Ingebretson at 10:30am. All BEC members were present except Nat Lord, Jerry Ford, Fred Serena, Mark Silvera and Rob Perrill. We met at Suju's Coffee on Thornton Ave. We will not meet on May 15 as that is when we will hold our annual sweetheart luncheon.

The April 17 meeting minutes were approved as presented.

Treasurer, Larry Lardie reported the balance of our account was \$12,499.80 on May 1. The treasurer's report was approved.

Rob spoke about the upcoming sweetheart luncheon. There will be 83 members and significant others attending the event. Several gift packages will be assembled, ranging in cost between \$15 and \$20. Their distribution will be based on a simple drawing of tickets. One ticket will be given to each guest as they arrive at the event.

Bob Marshall suggested we develop "Chairmen Planning Guides" for activities and branch positions which would assist anyone who might step into a chairman role, either temporarily or for an extended period of time. The group agreed that having 'job descriptions' written out would help anyone taking on a new role.

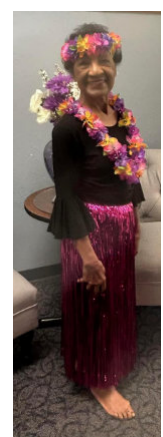

Our current membership number is 129. This is the number of members who have paid dues for 2024. There is concern regarding the well-being of several long term members who have not paid 2024 dues and not returned calls. We will continue to reach out to ensure they are alright and understand there are ride-sharing opportunities in case they do wish to attend our luncheons.

Nominating; Based on the Schedule of Branch Operations, the nominating chairman, Rick Henry, should forward the slate of 2025 officers to our Big Sir by the end of May. He was ready and the nominees are; B.S. Rob Perrill, L.S. Jerry Ford, Secretary Dave Nelsen, Treasurer Larry Lardie, Asst. Treasurer Mark Silvera. Also five directors; Ken Brunskill, Bob Marshall, Rick Henry, Sammy Lum and Nat Lord. We are fortunate to include Fred Serena, Area Representative, as a member of branch 59 and we consider him part of our BEC.

Our next BEC business meeting will be held on June 5 at 10:30.

The meeting was adjourned at 11:42.

You are to wear it during the luncheon and you may sit anywhere you want as there will no longer be a birthday table. Some time during the luncheon you will be given the opportunity to say your name and how old you are. After all the birthdays have been announced there will be a drawing for a bottle of wine given to one of the birthday members present. We ask that when you leave the luncheon that you please return your lei to the same box where you picked it up.

Bowling Update

The weekly Monday SIRS league has been very well attended the first four months of the year, with approximately 18 bowlers showing up each week. Recently we have had a number of injuries and with Summer fast approaching we expect to see a slight drop in attendance in the coming weeks. Meanwhile, Sir Jerry Sabo and Sir Miguel Ferras teamed up with two other bowlers and finished in second place in the Division 2 of the Carson City tournament last month.

Sirs Jerry Sabo, Victor Okumura, Harvey Look and Miguel Ferras recently competed in a tournament in Rocklin. Sir Jerry took 1st place in Division 2 Singles and 3rd place in all events.

We are looking forward to hosting the SIR Branch 59 Annual tournament to be held on June 24 and 25 at the Earl Anthony Bowl in Dublin and are expecting to draw more than the 47 entrants that showed up last year. So far eleven bowlers will be representing our Branch.

POKER

The "Dealer's Lunch Bunch" meets for Poker every month on the Monday immediately following our monthly luncheon. We currently have about 10 members who routinely attend games. We have a seven-seat table, so space is limited to the first seven

players who reserve. But don't let that stop you from joining our group! We have had up to 10 players (lots of common card games) since the group started, and IF we consistently get more than 10 reservations, we will open a second table.

The buy-in is \$10, with dime-quarter-half dollar chips, so it is within everyone's means. If you have a desire to play, please contact Sir Larry Jett (larrywjett@gmail.com), or Sir Bob Marshall (hdog48@gmail.com).

BOCCE BALL

We have free use of the new court at the beautiful Warm Springs Age Well Center on Fridays. Meet up is every Friday at 10:00 a.m. at 47111 Mission Falls Ct. (near Warm Springs Blvd. and Warren Ave). SIR's! Did you ever play in a Rock n' Roll band?

Would you LIKE to play in a rock band? If so, please respond to Sir Bob Marshall at hdog48@gmail.com (510-502-7295) and let him know you'd like to be reborn as a ROCK STAR! Let him know what you play (guitar, bass, drums, keyboards, horns, sing, etc.) and be the first to join The Fremont Pathfinder Branch 59 Sons In Retirement Memorial Rock Band! If we get enough people with the desire, we will schedule our first jam session in the next few weeks, and hopefully entertain our troops during a meeting or two. BE THERE OR BE SQUARE!

Surgery in a hospital doesn't necessarily lead to better outcomes than surgery in a surgical center

By Sheila Kaplan

Does paying more to have your outpatient surgery done at a hospital, rather than at a freestanding surgical center, lead to better care? A new study led by James C. Robinson, professor of health economics at UC Berkeley School of Public Health, says no.

In an investigation published in the April issue of *The American Journal of Managed Care*, Robinson and his team found that the higher prices typically charged by hospitals for four common surgeries were not justified by higher quality, as measured by the rate of post-surgical complications.

The researchers analyzed more than 2 million national Blue Cross Blue Shield insurance claims from 2019-2020 for patients aged 18 to 65 who received a colonoscopy, knee or shoulder arthroscopy, or cataract removal surgery, and calculated the prices and rates of complications for each procedure.

They found large differences in price, but very little difference in the rate of post-surgery complications.

After adjusting for patient characteristics, risk, and geographic market location, the authors wrote, prices paid for colonoscopies in hospitals were nearly 55% higher than those charged in ambulatory surgery centers; hospital prices for arthroscopy and cataract removal were roughly 44% higher.

A small difference in rates of post-surgery complications, according to the study, was found regarding colonoscopy: hospitals had a slightly higher rate of complications over a 90-day interval, compared to ambulatory surgery centers. But the rates were statistically similar when measured over the seven and 30-day intervals. Rates were similar between the two sites of care for arthroscopy and cataract removal.

"We were looking at whether a patient got a surgical infection, or had a general complication, like a stroke," Robinson said. "The rates were very low. These are elective, voluntary procedures done on non-aged patients with private insurance."

To Robinson, the hospitals' higher prices are not warranted without higher quality. But he also believes it would be a mistake for policymakers and insurers to force patients to go to the cheaper ambulatory surgical centers for their procedures.

"That isn't desirable either," he said. "The real solution is that the hospitals should charge the same price as the ambulatory centers."

"You really need facility-specific information on price and quality," he said. "And that information is almost impossible to get. The American healthcare system is so inefficient. We're just sloshing around in it."

Don Edwards, SIRs and the Newark Slough

What a beautiful spring day! The Wednesday Walkers chose Don Edwards Wildlife Refuge for May 8. Funny, with the Bay Area population at 7 million or so, here is a piece of nature stuck right in the middle of it. I mean wild oats, Black mustard, Century plants and much more. We missed a lot of the birds because we don't start walking until 9 AM, but Turkey vultures, a hawk or two and waterfowl still hung around for us to view. Out there past the Newark Slough, the Dumbarton Bridge gleamed for those who took a look. We even spied a wildlife photographer on the trail. I must say the SIR walkers sure looked sharp striding past the red picnic structure between the slough and the Bay. We even picked up a new

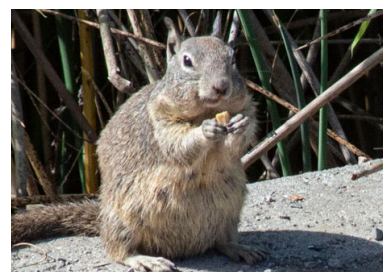

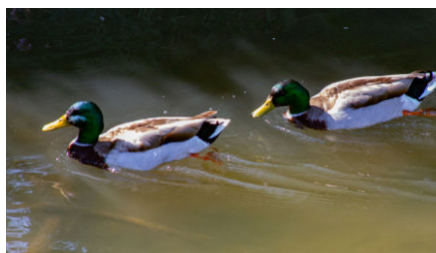

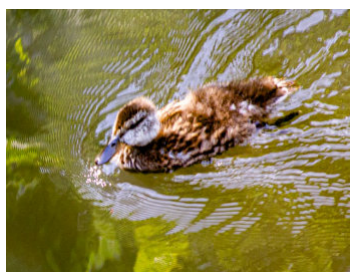

walker, John Vickroy. Glad to have him in the group! ~Bruce Roberts

Story out of Nothing?

Well, Sirs, not really nothing, but you've maybe seen it all before – or not! It goes this way. Wednesday Walkers on May 22, end of spring or so met at the Boathouse at Lake Elizabeth. We waited for Bill, but it was the day after the big crash in front of his building on Fremont Blvd. He didn't make it this day. Contrarians this day, we walked counterclockwise around the lake. Don't tell Jerry.

Needless to say, I lagged behind the group 'cause when I stopped to take a picture, THEY just kept on walking. But Rick was nice enough to hang with me. So, not much to grab the attention of my camera. Lovely walk, flat paved path, not too much goose poop, warm morning air. Adolescent duck and a couple of Mallard adults, a resident squirrel, a blooming California buckeye. We noted the other walkers and the fading green on the hills. Not long until we have a California Gold summer. ~Bruce Roberts
