## SIR RICHARD'S CORNER by Richard Henry Branch 59 Big Sir

Welcome Branch 59 to 2026 and becoming your Big Sir my third time at this position I am looking forward to the challenges and satisfaction in keeping **YOUR** branch strong and healthy. I am very proud to have Ken Brunskill at my side as Little Sir and my loyal and true to form officers, directors and committee chair people.

We just had our 49<sup>th</sup> annual Christmas luncheon and if for some reason you were unable to attend you then missed our special event filled conversation, laughter and holiday joy.

Your past Big Sir Rob Perrill and myself would like to extend our appreciation to everyone involved for making our holiday event a memorable one. While we were indulging in a great lunch with just a few complaints we were entertained with a room filled with wonderful Christmas classics from the Derrick Hall Trio.

In closing we finished the holiday event with a special and loving thank you to our beautiful ladies who mean so much to all of us. Lastly four tables lined with gifts were raffled off to the lucky ticket holder...yes a fun afternoon had by all.

Quote of the day: We shall do so much in the year to come...but what have we done today....

Thanks to everyone who has been using the Evite to respond. Keep you eyes open for the January 21 Luncheon EVITE invitation. Once again please take a moment to respond either YES or NO. We'd love to have everyone join us, but even a quick 'NO' helps us keep track of attendance.

## **CHRISTMAS LUNCHEON** **REVIEW**

*We had roughly 120 guests at our December Christmas Ladies Day Luncheon. Everybody seemed to have a good time. The Derrick Hall Trio's music was outstanding. Daniel and his catering staff, as usual, provided us with wonderful food.*

*We gave away roughly 30 door prizes the majority of which were donated by the following merchants: Spin-A-Yarn Steak House, Country Way Restaurant, Cabrillo Café, El Rodeo Mexican Food Restaurant, Baldies Restaurant, Lazy Dog Restaurant, Market Broiler Restaurant, Niles Ice Cream, B.J.'s Restaurant, Costco, and Billy Roy Burgers. The majority of the merchant gifts were obtained by our own SIR member Dug Howd. If you ever get a chance to visit one of these merchants tell them how much you appreciated their donation that contributed to the success of our luncheon. Several of our members donated other gifts such as gift baskets, wine, and candy. Bruce Roberts, who always takes many pictures at our event, which you can find throughout this newsletter, donated two of his lovely framed photographs for our door prizes. Dave Nelsen, our secretary, used his wood crafting skills to donate a handcrafted bowl.*

*I would also like to thank Linda Nelsen and her decorating partner, Lauren Doherty for their absolutely beautiful centerpieces. I want to also recognize three of my angels, Catherine Ploor who sold our door prize tickets and Katherine Perrill and my wife Gig who distributed our name tags. To wrap up I want to thank some very special couples for arriving early in the morning, the day of the event, to set up the room with table clothes, glasses and silverware. They were Rick and Rose Henry, Jerry and Anita Ford, and Rob and Catherine Perrill.*

**Rob Ingebretson**

## *It's a Cold Walk in Fremont*

This is not North Dakota or Montana, but it was cold this morning for the SIR Walkers starting out on their walk in the fog on the Sabercat Trail. It took nearly half the walk to warm up on December 10<sup>th</sup>. Although the sun shown through the fog it was not warming up our hands and necks; only our walking warmed us. Given the recent rains the grasses showed their greenness as we hiked the trail - up both ways, and the creek gurgled below the trail. Coffee at Dina's finally warmed our bodies.

Two notes: A restoration project is ongoing along the Sabercat Trail. That is not a giant brush in the photo, it's an upside-down palm tree. ~ Bruce Roberts

## *Fall Colors (After All It Is December) on Display*

December 3rd showed up with a very cold morning for the ten SIR Walkers and Thor at Quarry Lakes. This time we walked around mirror-like Rainbow Lake in a bit less than an hour. Many trees showed their fall foliage in the reflections on the lake as Mission Peak stood off to the east. Crows, Robins, Coots, Sea gulls, the ever-present Turkey vultures lurking overhead, and some other birds (possibly a California scrub jay with its long tail feathers) and some water birds too far away to identify, made the walk interesting. Also on adjacent Horseshoe Lake, an interesting boater skimmed the waters. Again, lots of color in the trees. ~ Bruce Roberts

## POKER

The Pathfinder SIR Poker Players meet monthly on the Monday immediately following our luncheon, from 1:00–4:00 p.m., at various members' homes. The buy-in is \$10, using dime, quarter, and half-dollar chips, making it affordable for

everyone. We typically have seven players, but can accommodate up to ten with an additional table. If you're interested in playing, please contact Poker Chairman Sir Bob Marshall (510-502-7295, [hdog48@gmail.com](mailto:hdog48@gmail.com)) to be added to the invitation list.

Cost is \$16 per week including a weekly prize pot. For more information contact Miguel Ferras at [MIGUELFERRAS@MSN.COM](mailto:MIGUELFERRAS@MSN.COM)

## GOLF

After many dedicated years of service, long-time Golf Chairman Jim Ulam will be stepping down effective December 27, 2025. His departure leaves a significant gap, and while Larry Lardie and Dave Shideler have graciously supported the program for years, they cannot be expected to shoulder the full responsibility moving forward.

Despite our efforts to find a new chairman, no one has yet come forward. Without new leadership, SIR Branch 59 Golf will unfortunately be discontinued in the New Year.

If you value this program and are willing to help keep it alive, now is the time to step up.

## WEDNESDAY WALKERS

Come join us on a weekly walk every Wednesday at 9:00 am. The location is updated once a week. We walk about one hour. Get some exercise and visit with other Sirs. Everyone is welcome, we are co-ed. ## SUNRISE BREAKFAST BUNCH

Our inaugural event Thursday Dec. 18th was a great start, with 10 attending at the Classic Diner in Fremont. This was a good event allowing us to enjoy the company of two beautiful ladies, Catherine Perrill and Rose Henry, hope more wives can join us in following breakfasts.

We discussed the where and frequency of following gatherings:

To begin with, it was decided to meet on the 2nd Tuesday of every month. Our next one will be January 13th at 9:00 AM, again at the Classic Diner in Fremont.

If you missed this one, sorry, we missed your presence too!

### Data Security

## How Long Does It Take to Hack Passwords?

Hackers can crack weak passwords by using programs that run through various possibilities until they hit the right one. The longer your password and the more types of characters it combines, the less likely this method will succeed. See how long it would take a fraudster to figure out your password based on its length and composition.

Number of characters	Numbers only	Lowercase letters	Upper and lowercase letters	Numbers, upper and lowercase letters	Numbers, upper and lowercase letters, symbols
8	Instantly	5 seconds	22 minutes	1 hour	8 hours
9	Instantly	2 minutes	19 hours	3 days	3 weeks
10	Instantly	58 minutes	1 month	7 months	5 years

**AFFORDABLE LYFT RIDES FOR YOUR LOCAL TRAVEL NEEDS!**

Lin Palmer is thrilled with her newfound freedom. As someone who identified as "technology challenged", she never thought she would use her smartphone for anything other than phone calls. After learning how to use the Lyft app and taking Lyft rides to and from dialysis, she proclaimed "Where has this service been all my life!"

Lin was initially hesitant to sign up for Ride-On Tri-City's subsidized Lyft service. She was worried that the drivers wouldn't help to stow her walker or that she would make a mistake requesting a ride through the app. Lin's concerns were eased after learning that Ride-On Tri-City had provided 81,000+ subsidized Lyft rides over the past five years, and that the program's frequent riders included individuals in their 90s as well as young adults who are blind.

Lin was surprised how easy it was to request rides through the app. She pays \$4 per ride and can take up to 30 subsidized rides per month. The biggest benefit of the service according to Lin: "I request my ride and 5-10 minutes later, my Lyft ride arrives. No more waiting around!"
