

Branch 62 Nine Hole Golf Committee Chair

Purpose

Organize weekly 9-Hole golf activity for SIR members and their guests.

Duties

- Set up tee times for each Wednesday starting at about 9:00AM at Sunken Gardens on Wolfe Rd. in Sunnyvale.
- Tee times can be booked online ahead of time using the Tee-off website.
- Each month, provide inputs for the Branch Rooster publication by the Wednesday after the monthly luncheon meeting.
- At each monthly luncheon meeting, provide an update and status to the membership.
- An Assistant Chair must be designated when the Chair is absent.

Day of Play Chair Duties

1. Arrive at Sunken Gardens Golf Course before the first tee time. Check-In at the Pro Shop. Put pay envelopes and last week's score sheet on table.
2. Put CTP (Closest To the Pin) slip (with date and hole number) on CTP clip board for first group to put next to CTP green.
3. Put score sheet on score sheet clip board and take it to score table after the 9th hole. Put bag on the score table corner so players can put their score cards in it.
4. Date and hi-lite score cards with current date. Use red-liter to mark CTP hole. Use the player list sheet to check off each player showing that they paid \$1 each.
5. You should play in the last group so you can collect the CTP clip board, score card, clip board, and bag when you finish.
6. Put current score cards, score sheet, CTP No. card, last week's score sheet, and CTP sheet in the briefcase.
7. Take briefcase home to calculate winners and handicaps. Net score is the golfer's gross score minus the handicap. Handicap is calculated by discarding the highest 5 out of the last 10 scores to get an average score. Difference between average score and course par becomes the golfer's current handicap.
8. Use current score sheet to determine who was 1st low Net, 2nd Low Net, and who had Birdies and or Chip-Ins.

9. Pay \$2 for each Birdie or Chip-In (no one gets paid for more than one item. If they have multiples they get paid for the highest paid one).
Pay \$3 for 1st Low Net, \$2 for 2nd Low Net.
10. Put all payouts in small envelopes. There should be one for each player (if not make up one) and put them in the briefcase with new CTP card.
11. Any excess money is set aside to help cover subsequent rounds as needed. Additional funds are accumulated toward a grand prize of \$25 for a Hole In One.
12. Be ready to do it again next week.
