THE PERFECT CUP OF COFFEE

JUNE 10, 2021

TRIVIA QUESTION?

- How did the “Americano” get its name?

THE AMERICANO!

- Named for the American GIs in WWII who liked the taste of Italian Espressos but needed “more sips in their morning coffees.” So Italian coffee makers added hot water to the espresso and named it after those who were drinking it....The Americanos!

WHAT IS THE PERFECT CUP?

REGIONS

THE ROASTING PROCESS

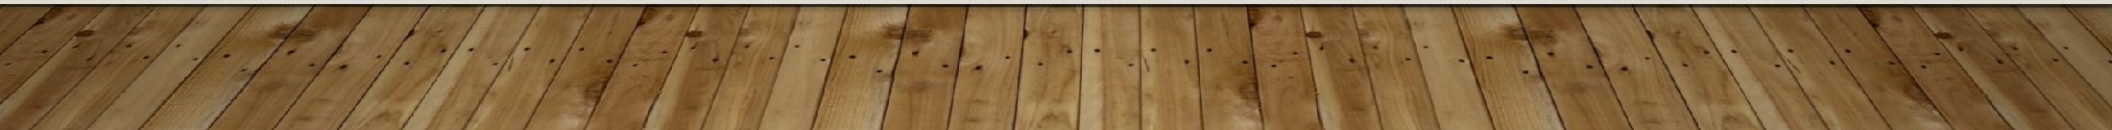

CHOOSING A ROAST

CHOOSING A GRIND

BREWING METHODS

HOME ESPRESSO MACHINES

DRIP MACHINES
