Who Are We? Sunnyvale Branch 62!

Sons In Retirement (SIR) is a nonprofit public benefit corporation for retired men, devoted to the promotion of independence and the dignity of retirement. SIR's purpose is to assist men in renewing former friendships and provide opportunities to make new friends through association with other retirees.

We Create Activities Our Members Enjoy

We have monthly luncheons with interesting speakers and good fellowship. Additionally, our members enjoy doing a variety of other activities including golf, bowling, card games and more. Many activities like travel, dining, picnics, and holiday parties include our ladies and guests. To get more information on our activities click on the icons to the right. For speaker information, click on the Calendar menu button above.

But There Are Some Things We Don't Do!

We don't raise money. We don't have a political agenda. We don't have a religious orientation. We don't sell light bulbs or anything else. We don't have a problem with organizations that do these things, it's just that we don't. You've paid your dues to the working world - it's time to enjoy life.

We meet at the [Mariani's Inn & Restaurant](#) in Santa Clara, California on the 3rd Thursday of each month (see [calendar](#)).

Are you retired or semi-retired and want to make new friends, participate in fun activities and better enjoy your leisure time?
