# Today's Speaker

**Chester Santos** - "Memory Fun 101 - Memory Training for Everyone"

In this fun and entertaining presentation, U.S. Memory Champion, Chester Santos, will teach us the basics of memory improvement. We will learn a number of memory boosting methods that will exercise our imagination and awaken our creativity. Everyone will be shown how to utilize both sides of their brain in order to make information stick and become unforgettable.

We will participate in enjoyable exercises and will actually be able to feel our memory ability improving throughout the presentation. Everyone will leave this interactive session with a sharper mind and a solid foundation in exercises and techniques that will benefit each of us for the rest of their lives.

### Who Are We? Sunnyvale Branch 62!

WATCH OUR INFORMATIVE VIDEO! >>> [Click Here](#)

Sons In Retirement (SIR) is a nonprofit public benefit corporation for retired men, devoted to the promotion of independence and the dignity of retirement. SIR's purpose is to assist men in renewing former friendships and provide opportunities to make new friends through association with other retirees.

### We Create Activities Our Members Enjoy

We have monthly luncheons with interesting speakers and good fellowship. Additionally, our members enjoy doing a variety of other activities including golf, bowling, card games and more. Many activities like travel, dining, picnics, and holiday parties include our ladies and guests. To get more information on our activities click on the icons to the right. For speaker information, click on the Calendar menu button above.

### But There Are Some Things We Don't Do!

We don't raise money. We don't have a political agenda. We don't have a religious orientation. We don't sell light bulbs or anything else. We don't have a problem with organizations that do these things, it's just that we don't. You've paid your dues to the working world - it's time to enjoy life.

We meet at the [Marian's Inn & Restaurant](#) in Santa Clara, California on the 3rd Thursday of each month (see [calendar](#)).

Are you retired or semi-retired and want to make new friends, participate in fun activities and better enjoy your leisure time?
