BIG SIR Tom Gamble 677-7764

I miss Ross Walter as our travel chairman. Even though Ross has continued to attend our meetings and enjoy the fellowship of his friends in Branch 95, his travel replacement, Jerry Cias, from Branch 166 has mostly been absent. Having a travel chairmen in attendance at our meetings is important to the club. Is there anyone in Branch 95 who is interested in taking on our Travel Chairman responsibilities? Ross did a wonderful job for a number of years and I'm sure would impart his knowledge to the new man.

A special SIRS's day program has been scheduled by the Sacramento Jazz Jubilee to be held at Cal Expo on Friday, May 28 from 1 to 7 pm. It will be located at the RV Pavilion performance site. The regular \$40, all day admission price is being offered to SIR members at half price, \$20. This date is the commencement of the Jubilee!! Our club has been allotted 20 tickets so if you wish to go, make a check payable to Branch 95 and mail it to me. Tickets for the 4 day ALL EVENTS ADMISSION BADGE will be available for a discounted price of \$80. Let me know if you are interested. Happy St. Patrick's Day and wherever you go and whatever you do, may the luck of the Irish be there with you!!

Rodney Dangerfield's Best One-Liners

1. I was such an ugly kid – when I played in the sand box, the cat kept covering me up!
2. I'm so ugly – my mother had morning sickness after I was born!!
3. I went to see my doctor – "Doctor, every morning when I get up and look in the mirror, I feel like throwing up. What's wrong with me?" He said "I don't know, but your eyesight is perfect."
4. One year they wanted to make me the poster boy for birth control!!
5. I'm so ugly, when I was born, the doctor slapped my mother!!

LITTLE SIR Greg Rhine 916-774-6574

Let me thank all of you for your interesting questions and courtesy shown to our February speaker, Lt. Colonel Jella. I'm very glad he is on our side. For this month we are very lucky to have Mr. Morton Saltzman who is deputy managing editor of the Sacramento Bee. He has served 25 years with the Bee both as a reporter and as an editor. He claims to know where a few of the bones are buried in Sacramento journalism. Mort is in charge of editing of the news sections and as such, he has lots to say as to what news stories are selected for publication. Mort lives in Davis with his wife, Wendy and son Eric. He has a story to tell!

George Carlin – Some of His Latest

1. If 4 out of 5 people suffer from diarrhea – does that mean that one enjoys it?
2. What hair color do they put on the driver's license of bald men?
3. Isn't making a smoking section in a restaurant like making a peeing section in a swimming pool?
4. Why is a person who plays the piano called a pianist but a person who drives a race car not called a racist?
5. You never really learn to swear until you learn to drive.

SAND TRAPS Paul Tomlinson (916) 939-8390 and Brian Upton (916) 939-6601

February was a great month for golf, except for the weather. For those brave souls who did play, we had a good times, as always!!

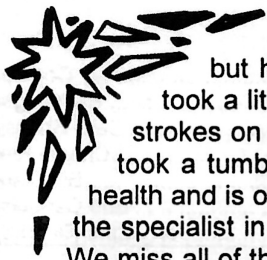

Golf in February – Results follow:

	First	Second	Third	CT Pin
Sun City, Roseville, 2/5	B. Upton	P. Meyers	G. Curtright	R. Waisner
Mather AFB, 2/10	P. Tomlinson	G. Van Blyenburgh	P. Meyers	Cancelled
Wild Hawk, 2/17	-- Rained Out --			
Castle Oaks, 2/26	-- Rained Out --			

Golf Goodies

1. The term "mulligan" is really a contraction of the phrase, "Maul it again".
2. "I wish I could play my normal game – just once."
3. An interesting thing about golf is that no matter how badly you play; it is always possible to get worse.
4. Golf's a hard game to figure. One day you go out and slice it and shank it, hit into all the traps and miss every green. The next day you go out and play and for no reason at all, you really stink.

SUNSHINE CORNER Bill Clark (916) 933-8947

Continue to pray for our members who are facing health trials in their lives. Jim Thompson continues to be on the mend. He has good days and bad days but hopes to see us at today's meeting. Jim January was out walking his dog, Ralph, and took a little "trip" landing on his arm and face. His shoulder is bothering him so he will want more strokes on the golf course. (Ha). Ralph is doing fine!! Speaking of trips, Al Schmidt's wife, Dottie, took a tumble on their stairs and ended up with a good sprain. Stu Messenger continues in poor health and is on oxygen all of the time. We've received no new word on Jerry Rider since his trip to see the specialist in LA, Kip Klopp is awaiting word on several tests so we hope all of them come out okay. We miss all of these guys. Every one of them would appreciate our thoughts and an occasional call from the members.

We hope that all of our SIR members will extend a smile, hello and welcome to someone they do not know well, particularly our new members, at each of our meetings. We don't want anyone to leave our meetings without a friendly greeting. Please be sure to provide me with information on our comrades so that we can keep everyone up to date in the bulletin!!

The District Director has asked that the attendance and travel rules be distributed in the monthly bulletin.

Attendance: Rule 60 – Members are obligated to attend all regular luncheon meetings unless prevented by illness or absence from the branch locale. Rule 100 – A member may be notified in writing by his branch of the pending termination of his membership (Rule 107) if he is responsible for any of the following:

- a) Miss three consecutive regular meetings without being excused by contacting the designated Attendance person prior to the meeting date.
- b) Non-attendance at six (6) regular luncheon meetings within the previous twelve (12) consecutive month; Note: Excused meetings may not be included.
- c) Attendance at Ladies Day functions may be excluded at the discretion of the Executive Committee.

Any item to appear in the April 2004 Bulletin must be in the hands of Harry Shirley, 677-1066, by Thursday, April 1, 2004.
