**BIG SIR Greg Rhine 916-774-6574**

Spring is here at last; warmer and longer days!!! Who could ask for more. Here with all of our good friends and comrades! George had a great speaker for our last meeting. Hal Needham spoke of his association with the Sacramento Jazz Festival and with the upcoming festival. Tickets for the special SIR day are now available and we are going to auction off three, any day tickets to the highest bidder.

Our membership now stands at 132 good people. We have some additional people to initiate, so if you have any friends that wish to join us, have them apply soon. Our membership is limited to 140 people. Enjoy the day and you might even win some money!

***I Owe My Mother***

1. My mother taught me religion – “You better pray that comes out of the carpet.”
2. My mother taught me logic – “Because I said so, that’s why.”
3. My mother taught me about hypocrisy – “If I told you once, I’ve told you a million times. Don’t exaggerate!”
4. My mother taught me humor – “When that lawn mower cuts off your toes, don’t come running to me.”
5. My mother taught me about justice – “One day you’ll have kids, and I hope they turn out just like you.”
6. And finally, she taught me wisdom – “When you get to be my age, you’ll understand.”

**LITTLE SIR George Van Blyenburgh 530-677-1916**

A growing older population and a smaller younger one pose unprecedented challenges for America, according to Bob Davis, a Certified Senior Advisor, (CSA), who will speak on “Is living longer more than we bargained for?”, America’s crisis in aging.

“The paradox of seniors is that they hold two thirds of the country’s assets, yet have the highest bankruptcy rate of any group. They seek love and companionship, yet if one remarries after the loss of a spouse, they face a divorce rate of 85%. They want to live long and productive lives, yet the highest suicide rate in the U.S. is for white males over the age of 75,” Davis said. “All of these stresses on our seniors demand a response that considers inter-related health, financial and social issues.”

This is one presentation that you won’t want to miss (and there’s a door prize too). Let’s give Bob a big welcome.

Arrangements for the June 13<sup>th</sup> Ladies Day Picnic are pretty much complete. Mark the date on your calendar and purchase your tickets soon!

Birthdays for April are: Amil Gray, Em Greenlee, Ron Musket and Al Rollins.

***Facts of Life!!***

1. Always remember that you’re unique. Just like everybody else!
2. Give a man a fish and he will eat for a day. Teach him how to fish and he will sit in a boat and drink beer all day!
3. Sex is like air. It’s not important unless you aren’t getting any!
4. The journey of a thousand miles begins with a broken fan belt and a leaky tire!
5. No one is listening until you fart!
6. Some days you’re the bug; some days you’re the windshield!

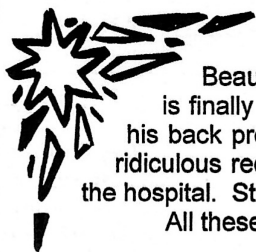

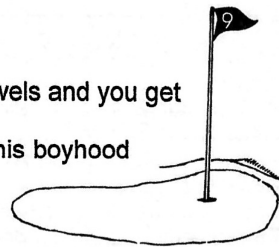

**SAND TRAPS Paul Tomlinson (916) 939-8390 and Brian Upton (916) 939-6601**

**SUNSHINE CORNER Jim Peterson (916) 934-0990**

Beautiful April is here and the sun is shining! Good news about some of our ill members. Hal Anderson is finally recovering after being laid up with a bad virus! Bob Carlquist is receiving radiation treatments for his back problem but is recovering. Paul Tomlinson is back to the golf course after elbow surgery. Made a ridiculous request for additional strokes! Bob Bartlett was showing off on the ski slopes, fell and ended up at the hospital. Strained knee but no other serious damage.

All these guys are going to get better with this great weather!!
