I've been reading a new book; if any of you would like to borrow it just let me know. It's called the "Useful Golf Book". It contains some really good articles such as:

- *How to Line Up Your Fourth Putt.
- *How to hit a Top-Flite from the rough when you hit a Titleist from the tee.
- *How to avoid the water when you lie 8 in the bunker.
- *How to get more distance off the shank.
- *Proper etiquette when you're playing with a complete jerk.
- *Crying and how to handle it.
- *How to rationalize a 7-hour round.
- *How to find that ball that everyone else saw go in the water.
- *Why your spouse no longer cares that you birdied the 4th hole.
- *How to let a foursome play through your twosome without being embarrassed.
- *How to relax when you're hitting five off the tee.

Been There?? Done That?? George
