BIG SIR

Sandy Samboy 916.933.8903

Bob Scheidegger has replaced Rod Campbell as Badges/Raffle Chairman. We still need a Travel Chairman.

Certain committees appear to have become inactive; if you wish to reactivate any of these, or start something new, please let me know.

Taking an active role in the SIRs organization is rewarding and a good way to make new friends.

Thursday, August 9, 2007, will be All SIR Day with the San Francisco Giants. Starting time will be 12:15 PM and the visitors will be the Washington Nationals. If you are interested in attending, please let me know.

Have a pleasant and enjoyable summer.

LITTLE SIR

Larry Keenan 916.933.9475

Our speaker today comes to us from the Sacramento Aviation Museum. Since we have a broad range of military veterans as members, this topic should be of interest to many. Please give a warm SIR welcome to Roxanne Yonn.

Ladies Day Picnic a Huge Success

The weather was great, the food was great, and the setting was spectacular. What more could you ask for than happy attendees, and we had 117 of those, too.

Yes, this year's Ladies Day Picnic was a huge success and a few came away with some nice prizes, compliments of the improved raffle. Several wives said that it was "the best picnic yet."

We even had some guests who are now thinking of joining us. It does not get much better than that!

Many thanks to all who gave of their time and expertise, including Juanita Nester, who co-

ordinated the dessert table, Sharon Scheidegger, who made up all the name tags, Jane Samboy, who checked everyone in, and Michele Keenan, who obtained and prepared the flower pot centerpieces and coverings for each table. All of that took a lot of time and dedication to make Ladies Day the success that it was.

Branch 95 appreciates all of their support and commitment to make us the best SIR branch in Northern California.

Billy Sturdivant went through some medical procedures with flying colors and received glowing reports from the doctors. For Billy this was only a speed bump in the road of life and while he missed a Memorial Day party he was up and running at the SIRs Picnic. Glad to have him back happy and healthy.

Please let me know of any members who encounter illness or injury. Thank you.

SIRS Golf Rules: Marking Your Ball – Rule 20-1 of “The Rules of Golf” states when a ball is to be marked, the position of a ball to be lifted should be marked by placing a ball-marker, small coin, or other similar object immediately behind the ball. (Not beside it, or in front of it.) The position of the ball must be marked before it is lifted. If the ball is lifted first, a one stroke penalty will occur. Golfers, please observe this rule.

The Laws of Golf: No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer, and eventually, a lifetime. Source: Aha! Jokes, http://www.AhaJokes.com/

Some Gave All

I knew a man
Called me a loner
Few folk even knew his name.

But a hero yes he was.
He left a boy, came back a man
Still the man don't understand
About the reasons we are free.
I can't forget the look in his eyes
Or the tears he cried
As he said these words to me.

All gave some, some gave all
Some stood true for the red,
white and blue,
But some had to fall.
If you ever think of me
Think about your liberty and recall
Some gave all.
