BIG SIR — Jay Guertin

GOAL-91 Members, CURRENT 79, NEW MEMBERS 4, LOST MEMBERS 9, GUESTS 5

For those who were unable to attend our Spouses' Picnic at High Hill Ranch, it was a great event! Although it was an unseasonably warm day, being in the Sierra in the shade of those magnificent trees made it quite pleasant. The food was great and plentiful; the Bingo was fun with great prizes; the bar kept us "hydrated"; and the camaraderie with members and spouses was special. I want to thank my Little SIR, Terry Privott, for the great job he did organizing the event. Terry was ably helped by Dennis Callahan and Bill Yeager on the grill, Brian Upton and his bar crew, and Vic Eason for the sound equipment. (A special thanks to now former member Vic who has moved to Elk Grove and does not drive. So with the great help of George Simko got his equipment to High Hill Ranch).

Today we are fortunate to have with us our Region 3 Director, Jimmie Johnson. We are hopeful that Jimmie will share some information on what is currently going on in SIR and what he sees for the future. If you get a chance, come up and say hi.

Jay

LITTLE SIR — Terry Privott

Our Guest speaker today is Doug Bonetti and resides with his family in Cameron Park. Doug is a native Californian, raised in King City in the heart of the Salinas Valley. He is a 1979 graduate MBA from Sacramento State and spent his working career with the Procter & Gamble Company in various sales and marketing roles during his 33 years of service. Doug currently serves as a consultant to American Bone Health, a national organization that works to educate the public on bone health and osteoporosis. Doug was an excellent water polo player and along with some of us enjoys chasing a little white ball around grassy fields as a member of Cameron Park Country club.

Doug has a strong passion when it comes to US Civil War History and the many facts regarding the Indian War era as our nation struggled and then progressed west. He has many authentic artifacts for these time periods and has brought a small sample of his collection today. I recently had the opportunity to sit in one of the classes that Doug provided at Sacramento State for the Renaissance Society. His 12 week class program was highly successful and he has been ····· Continued · see Little Sir → page 2
