

BIG SIR MESSAGE

Aren't we having the time of our lives?
All you guys don't realize how lucky you are. To make
friends for life, and do stuff together.

It's completely AWESOME.

Remember,

As competitive as we all want to be, it's all just for fun.
We get together with a bunch of old cronies and have a
good time, and a good laugh.

I'm proud to be part of your good time, and to know you
as a friend when I see you at Walmart.

SHOUT OUT !!!

A BIG HOORAH to Andre Fowler who has volunteered to be the interim
Golf Chairman. He's lifting some of the load off of Steve Johnson and
Dan Powell. (though they will still be involved)

Be patient and forgiving with this transition as we move forward. Give
Andre support and some slack, along with your encouragement.

Interested in helping??? Just ask.

I've offered my help to him if he needs anything.

I'm pretty busy with all your other SIR stuff, but if he needs me I'm
there for YOU and him .

Blessings to you all for the next month.

Hit em straight, Hit em Long, and not too many times.

From your BIG SIR
Ken OConnell
